On December 1, 2017, the Las Vegas Convention and Visitors Authority (the "Authority") in the name and on behalf of Clark County, Nevada (the "County") posted a Preliminary Official Statement dated December 1, 2017 (the "Preliminary Official Statement"), relating to the above-captioned bonds. Subsequent to such posting, the Authority became aware of a class action complaint against Caesars Entertainment Corporation relating to a portion of the License Taxes (as defined in the Preliminary Official Statement) collected by Caesars Entertainment Corporation. Neither the Authority nor the County is a party to the complaint against Caesars Entertainment Corporation. The complaint, *Cabral et al vs Caesars Entertainment Corporation*, Case No. 2:17-cv-02841-APG-VCF was filed for damages and declaratory relief on November 10, 2017. The complaint alleges that Caesars Entertainment Corporation charges a resort fee to overnight guests which includes the provision of internet access and that Caesars Entertainment Corporation collects taxes on the portion of the resort fee attributable to internet access by overnight guests in violation of the Internet Tax Freedom Act ("ITFA"), P.L. 105-277, Div. C., Title XI § 1100 (Oct. 21, 1998), 112 Stat. 2681-719 (enacted as statutory note to 47 U.S.C. § 151, as amended). The Authority receives taxes collected on the resort fee as License Taxes. The complaint seeks, among other things, damages in the amount of the portion of the taxes on the resort fee attributable to internet access. The complaint does not seek to enjoin, suspend, or restrain the assessment, levy, or collection of the License Taxes by Clark County or the State of Nevada. The extent of this class action complaint on the collection and distribution of License Taxes cannot be determined at this time. See "SECURITY FOR THE 2017C BONDS" and "REVENUES AVAILABLE FOR DEBT SERVICE" in the Preliminary Official Statement.
