

NOTICE OF SALE

\$2,490,000*

**CITY OF MARYVILLE, MISSOURI
GENERAL OBLIGATION REFUNDING BONDS
SERIES 2018**

Bids. Electronic bids for the purchase of \$2,490,000* principal amount of General Obligation Refunding Bonds, Series 2018 (the “Bonds”) of the City of Maryville, Missouri (the “City”), herein described, will be received **until 11:00 a.m., Central Time**, on

JANUARY 22, 2018

All proposals must be submitted electronically through PARITY® as further described herein. No oral or auction bids will be considered. All bids will be read and evaluated at that time and place, and the award of the Bonds will be acted upon by the Mayor of the City, as authorized by ordinance of the City passed by the City Council on January 22, 2018.

Pre-Bid Revisions. The City reserves the right to issue a Supplemental Notice of Sale not later than 24 hours prior to the Sale Date (hereafter defined) through PARITY® and MuniHub (“Supplemental Notice”). If issued, the Supplemental Notice may modify such terms of this Notice of Sale as the City determines, including the date and time of the sale. Any such modifications will supersede the terms as set forth herein.

Adjustment of Issue Size. In order to properly structure the transaction with respect to the required size of the refunding escrow created for the Refunded Bonds (hereafter defined), the City reserves the right, on the date of the award of the Bonds to the successful bidder, in the City’s sole discretion, to increase or decrease the principal amount of any maturity by not more than 20% of the principal amount of such maturity, and to decrease the aggregate principal amount of Bonds by not more than 15%, depending on the interest rates bid and the bid premium, if any. The successful bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amounts as described herein. In the event there is an increase or decrease in the final principal amounts per maturity as described above, the successful bidder will be notified on the Sale Date (hereafter defined) by telephone, fax or electronic mail of such increases or decreases promptly after the sale and prior to the award of the bid by the City. In the event that the maturity amounts of the Bonds are adjusted, the purchase price will be adjusted to ensure that the percentage net compensation (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the Bonds to the public and the price to be paid to the City by (ii) the principal amount of the Bonds) remains constant.

Terms of the Bonds. The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated their date of delivery, and will become due in principal installments on March 1 in the years, subject to adjustment as provided herein, as follows:

* Preliminary, subject to change.

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on September 1, 2018.

Authority, Purpose and Security. The Bonds are being issued pursuant to the constitution and laws of the State of Missouri for the purpose of providing funds to current refund a portion of the City’s outstanding General Obligation Refunding and Improvement Bonds, Series 2009 maturing in 2019 and thereafter in the aggregate principal amount of \$2,445,000 (the “Refunded Bonds”). The Bonds and the interest thereon will constitute general obligations of the City, payable from ad valorem taxes that may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City.

The Bonds are more particularly described in the Preliminary Official Statement dated the date hereof, available from the City’s financial advisor, Piper Jaffray & Co. (the “Financial Advisor”). This Notice of Sale contains certain information for quick reference only. It is not, and is not intended to be, a summary of the Bonds. Each bidder is required to read the entire Preliminary Official Statement to obtain information essential to making an informed investment decision.

Place of Payment. Principal will be payable upon presentation and surrender of the Bonds by the registered owners thereof at the payment office of UMB Bank, N.A., Kansas City, Missouri, Paying Agent (the “Paying Agent”). Interest shall be paid to the registered owners of the Bonds as shown on the bond register at the close of business on the record date for such interest (a) by check or draft mailed by the Paying Agent to the address of such registered owners shown on the bond register, (b) at such other address as is furnished to the Paying Agent in writing by any registered owner or (c) in the case of an interest payment to any registered owner of \$500,000 or more in aggregate principal amount of the Bonds, by electronic transfer to such registered owner upon written notice given to the Paying Agent by such registered owner, not less than 5 days prior to the record date for such interest, containing the electronic transfer instructions including the name and address of the bank (which shall be in the continental United States), ABA routing number, account name and account number to which such registered owner wishes to have such transfer directed.

* Preliminary, subject to change.

Book-Entry-Only System and Blue Sky. The Bonds will initially be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York, to which payments of principal of and interest on the Bonds will be made. Individual purchases of Bonds will be made in book-entry form only. Purchasers will not receive certificates representing their interest in Bonds purchased. It shall be the obligation of the successful bidder to furnish to DTC an underwriter's questionnaire. It shall be the obligation of the successful bidder to qualify the Bonds, if such qualification is necessary, in the jurisdictions in which it intends to reoffer the Bonds.

Optional Redemption of Bonds Prior to Maturity. At the option of the City, Bonds may be called for redemption and payment, in whole or in part at any time on March 1, 2023 and thereafter at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the redemption date.

Election to Specify Term Bonds. A bidder may elect to have all or a portion of the Bonds scheduled to mature consecutively issued as one or more term bonds scheduled to mature in the latest of said consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth above, and subject to the bidder making such an election by including such information in the electronic bid submitted via PARITY®. Not less than all the Bonds of a single maturity may be converted to term bonds.

Conditions of Bids. Proposals will be received on all of the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/100 of 1%. No supplemental interest payments will be authorized. The Bonds shall be sold by the City for a price not less than 101% of the total principal amount thereof, and no single maturity of the Bonds shall be sold with an interest rate exceeding 5.00%. Each bid shall specify the total interest cost during the life of the Bonds on the basis of such bid, the premium or discount, if any, offered by the bidder, and the net interest cost and the true interest cost on the basis of such bid. Each bidder agrees that, if it is awarded the Bonds, it will provide to the City the certification as to initial offering prices described under the caption "Certification as to Offering Prices" in this Notice of Sale.

Basis of Award. The Bonds will be awarded to the bidder whose bid will result in the lowest "true interest cost" ("TIC"), determined as follows: the TIC is the discount rate (expressed as a per-annum percentage rate) that, when used in computing the present value of all payments of principal and interest to be paid on the Bonds, from the scheduled payment dates back to the dated date of the Bonds, produces an amount equal to the price bid, including original issue premium or original issue discount, if any, but excluding any interest accrued to the date of delivery. Payments of principal and interest on the Bonds shall be based on the principal amounts set forth in this Notice of Sale and the interest rates specified by each bidder. Present value shall be computed on the basis of semiannual compounding and a 360-day year of twelve 30-day months. No bidder shall be awarded the Bonds unless its bid shall be in compliance with the other terms and conditions of this Notice of Sale. In the event that two or more bidders offer bids at the same lowest TIC, the City shall determine which bid, if any, shall be accepted, and its determination shall be final. In the event the TIC specified in the bid does not correspond to the interest rates specified, the interest rates specified will govern and the TIC will be adjusted accordingly. The City reserves the right to waive irregularities and to reject any or all bids.

The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. The City shall treat the first price at which 10% of a maturity of the Bonds (the “10% Test”) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. The winning bidder shall advise the City if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The City will not require bidders to comply with the “Hold-The-Offering-Price Rule” and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% Test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% Test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold Bonds of that maturity have been sold to the public. At or promptly after the award of the Bonds, the winning bidder shall report to the City the price at which it has sold to the public the Bonds of each maturity sufficient to satisfy the 10% Test. If as of the award of the Bonds the 10% Test has not been satisfied as to any maturity of the Bonds, the winning bidder agrees to promptly report to the City the prices at which it subsequently sells Bonds of that maturity to the public until the 10% Test is satisfied. In either case, if Bonds constituting the first 10% of a certain maturity are sold at different prices, the winning bidder shall report to the City the prices at which Bonds of such maturity are sold until the winning bidder sells 10% of the Bonds of such maturity at a single price.

By submitting a bid, each bidder represents that: (i) it has an established industry reputation for underwriting new issuances of municipal bonds, (ii) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (iii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds of

each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (1) “public” means any person other than an underwriter or a related party,
- (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) “sale date” means the date that the Bonds are awarded by the City to the winning bidder.

Prior to the delivery of the Bonds, the successful bidder will be required to execute and enter into with the City, a Certificate of Final Terms setting out the final terms of the Bonds, including the principal amounts, interest rates and pricing per maturity and the redemption provisions.

At the request of the City, the successful bidder will provide information explaining the factual basis for the successful bidder’s Issue Price Certificate. This agreement by the successful bidder to provide such information will continue to apply after the issue date of the Bonds if (1) the City requests the information in connection with an audit or inquiry by the Internal Revenue Service or the Securities and Exchange Commission or (2) the information is required to be retained by the City pursuant to future regulation or similar guidance from the Internal Revenue Service, the Securities and Exchange Commission or other federal or state regulatory authority.

Legal Opinion. The Bonds will be sold subject to the approving legal opinion of Gilmore & Bell, P.C., Bond Counsel, which opinion will be furnished and paid for by the City and printed on the Bonds and delivered to the successful bidder when the Bonds are delivered. Said opinion will also include the opinion of Bond Counsel relating to the exclusion of the interest on the Bonds from gross income for federal and Missouri income tax purposes. Reference is made to the Preliminary Official Statement for further discussion of federal and Missouri income tax matters relating to the interest on the Bonds.

Delivery and Payment. The City will deliver the Bonds, properly prepared, executed and registered, without cost to the successful bidder on or about February 15, 2018 in book-entry form only through the facilities of The Depository Trust Company in New York, New York. The successful bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery

of the Bonds affecting their validity and a certificate regarding the completeness and accuracy of the Official Statement. Payment for the Bonds shall be made in federal reserve funds, immediately available for use by the City.

Good Faith Deposit. The successful bidder (the “Purchaser”) is required to submit a good faith deposit in the amount of \$49,800 (the “Deposit”) to the City in the form of an electronic transfer of federal reserve funds, immediately available for use by the City, as instructed by the City or its Financial Advisor, no later than 2:00 p.m., Central Time, on the day the proposals are received. If the Deposit is not received by such time, the City may terminate its proposed award of the Bonds to such Purchaser, and the City may contact the bidder with the next lowest TIC and offer said bidder the opportunity to become the Purchaser. The Deposit of the Purchaser shall constitute a good faith deposit and shall be retained by the City to insure performance of the requirements of the sale by the Purchaser. In the event the Purchaser shall fail to comply with the terms of its bid, the Deposit will be forfeited as full and complete liquidated damages. Upon delivery of the Bonds, the Deposit will be applied to the purchase price of the Bonds or shall be returned to the Purchaser, but no interest shall be allowed thereon. If a bid is accepted but the City fails to deliver the Bonds to the bidder in accordance with the terms and conditions of this Notice of Sale, the Deposit shall be returned to the Purchaser.

Bond Rating. Standard & Poor’s Ratings Services is expected to give the Bonds a rating of “AA-,” which reflects Standard & Poor’s evaluation of the investment quality of the Bonds. Any explanation as to the significance of the rating may be obtained only from Standard & Poor’s. A rating is not a recommendation to buy, sell, or hold the Bonds, and such rating may be subject to revision or withdrawal at any time by a rating agency. Any downward revision or withdrawal of a rating may adversely affect the market price of the Bonds.

Submission of Bids. Electronic bids via PARITY® must be submitted in accordance with this Notice of Sale. During the electronic bidding, no bidder will see any other bidder’s bid or the status of their bid relative to other bids (i.e., whether their bid is a leading bid). Bidders may modify or cancel their bid at any time up to the end of the bidding. If provisions of this Notice of Sale conflict with those of PARITY®, this Notice of Sale shall control. Bids for the Bonds must be received before **11:00 a.m., Central Time, on Monday January 22, 2018.** The City and the Financial Advisor shall not be responsible for any failure, misdirection, delay or error in the means of transmission selected by the bidder.

Preliminary Official Statement and Official Statement. The City has prepared a Preliminary Official Statement dated the date hereof, “deemed final” by the City except for the omission of certain information as provided by Securities and Exchange Commission Rule 15c2-12, electronic copies of which may be obtained from the Financial Advisor as provided herein. Upon the sale of the Bonds, the City will adopt the final Official Statement and will furnish the Purchaser with an electronic copy of the final Official Statement within seven business days of the acceptance of the Purchaser’s proposal in order to comply with Rule 15c2-12(b)(4) of the Securities and Exchange Commission and Rule G-32 of the Municipal Securities Rulemaking Board. The City’s acceptance of the successful bidder’s proposal for the purchase of the Bonds shall constitute a contract between the City and the Purchaser for purposes of said Rules.

Continuing Disclosure. The City covenants and agrees to enter into a continuing disclosure undertaking to provide ongoing disclosure about the City, for the benefit of the bondholders on or before the date of delivery of the Bonds as required by Section (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission, which continuing disclosure undertaking shall be in the form as may be agreed to in writing by the Purchaser. See the Preliminary Official Statement for statements about the City's compliance with undertakings previously entered into by the City pursuant to Rule 15c-2-12.

In no event will the City, Bond Counsel or the Financial Advisor be responsible for the review of or express any opinion that the CUSIP numbers are correct. Incorrect CUSIP numbers on the Bonds shall not be cause for the Purchaser to refuse to accept delivery of the Bonds.
