The Bonds in the aggregate principal amount of \$4,595,000* to be dated October 15, 2018, in the denomination of \$5,000 or any integral multiples thereof designated by the Purchaser within forty-eight hours of acceptance of the bid, will mature as follows:

2024	365,000	2030	430,000
2025	375,000	2031	435,000

*Preliminary; subject to change.

PRINCIPAL ADJUSTMENT OF THE BONDS

The City reserves the right to increase or decrease the aggregate principal amounts of the Bonds. Such changes will be in increments of \$5,000 and may be made in any of the maturities. The purchase price will be adjusted proportionately to reflect any changes in issue size.

OPTIONAL REDEMPTION OF THE BONDS

The Bonds due after June 1, 2025 will be subject to call prior to maturity in whole, or from time to time in part, in any order of maturity and within a maturity by lot on said date or on any date thereafter at the option of the City, upon terms of par plus accrued interest to date of call. Notice of such call shall be given at least thirty (30) days prior to the date fixed for redemption to the registered owners of the Bonds to be redeemed at the address shown on the registration books.

INTEREST ON THE BONDS

Interest on the Bonds will be payable on June 1, 2019 and semiannually on the 1st day of each December and June thereafter until the principal on the Bonds is paid in full. Interest and principal shall be paid to the registered holder of a bond as shown on the records of ownership maintained by the registrar as of the 15th day of the month preceding such interest payment date (the "Record Date"). Interest will be computed on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board.

GOOD FAITH DEPOSIT

A good faith deposit in the amount of \$45,950 (the "Deposit") is required from the lowest bidder only. The lowest bidder is required to submit such respective deposit payable to the order of the City in the form of either (i) a cashier's check provided to the City or its Financial Advisor prior to the opening of bids or (ii) a wire transfer as instructed by the City's Financial Advisor not later than 1:00 P.M. Central Time on the day of sale of the Bonds. If not so received, the bid of the lowest bidder may be rejected and the City may direct the second lowest bidder to submit a deposit and thereafter may award the sale of the Bonds to the same. No interest on the Deposit will accrue to the successful bidder (the "Purchaser"). The Deposit will be applied to the purchase price of the Bonds. In the event a Purchaser fails to honor its accepted bid proposal, the Deposit will be retained by the City.

FORM OF BIDS AND AWARD

All bids shall be unconditional for the Bonds for a price not less than \$4,558,240, plus accrued interest, if any, and shall specify the rate or rates of interest in conformity to the limitations set forth under the "RATES OF INTEREST" section. Bids must be submitted on or in substantial compliance with the OFFICIAL BID FORM provided by the City.

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a true interest cost (the "TIC") basis assuming compliance with the "GOOD FAITH DEPOSIT" section. The TIC shall be determined by the present value method, i.e., by ascertaining the semiannual rate, compounded semiannually, necessary to discount to present value as of the dated date of the Bonds, the amount payable on each interest payment date and on each stated maturity date or earlier mandatory redemption, so that the aggregate of such amounts will equal the aggregate purchase price offered therefore. The TIC shall be stated in terms of an annual percentage rate and shall be that rate of interest, which is twice the semiannual rate so ascertained (also known as the Canadian Method). The TIC shall be as determined by the Financial Advisor based on the TERMS OF OFFERING and all amendments, and on the bids as submitted. The Financial Advisor's computation of the TIC of each bid shall be controlling. In the event of tie bids for the lowest TIC, the Bonds will be awarded by lot.

The City will reserve the right to: (i) waive non-substantive informalities of any bid or of matters relating to the receipt of bids and award of the Bonds, (ii) reject all bids without cause and (iii) reject any bid which the City determines to have failed to comply with the terms herein.

RATES OF INTEREST

The rates of interest specified in the bidder's proposal must conform to the following limitations:

1. Each annual maturity must bear a single rate of interest from the dated date of the Bonds to the date of maturity.
2. Rates of interest bid must be in multiples of one-eighth or one-twentieth of one percent.
3. Each rate of interest specified for any annual maturity shall not be less than a rate of interest specified for any earlier maturity. Rates must be level or in ascending order.

BOOK-ENTRY-ONLY ISSUANCE

The Bonds will be issued by means of a book-entry only system with no physical distribution of bond certificates made to the public. The Bonds will be issued in fully registered form and one bond certificate, representing the aggregate principal amount of the Bonds maturing in each year will be registered in the name of Cede & Co. as nominee of The Depository Trust Company (“DTC”), New York, New York, which will act as securities depository of the Bonds. Individual purchases of the Bonds may be made in the principal amount of \$5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the Registrar to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The Purchaser, as a condition of delivery of the Bonds, will be required to deposit the bond certificates with DTC.

MUNICIPAL BOND INSURANCE AT PURCHASER'S OPTION

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefore at the option of the bidder, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole option and expense of the Purchaser. Any increased costs of issuance of the Bonds resulting from such purchase of insurance shall be paid by the Purchaser, except that, if the City has requested and received a rating on the Bonds from a rating agency, the City will pay that initial rating fee. Any other rating agency fees shall be the responsibility of the Purchaser. Failure of the municipal bond insurer to issue the policy after the Bonds have been awarded to the Purchaser shall not constitute cause for failure or refusal by the Purchaser to accept delivery on the Bonds. The City reserves the right in its sole discretion to accept or deny changes to the financing documents requested by the insurer selected by the Purchaser.

DELIVERY

The Bonds will be delivered to the Purchaser via Fast Automated Securities Transfer ("FAST") delivery with the Registrar holding the Bonds on behalf of DTC, against full payment in immediately available cash or federal funds. The Bonds are expected to be delivered within forty-five days after the sale. Should delivery be delayed beyond sixty days from the date of sale for any reason except failure of performance by the Purchaser, the Purchaser may withdraw their bid and thereafter their interest in and liability for the Bonds will cease. When the Bonds are ready for delivery, the City will give the Purchaser five working days notice of the delivery date and the City will expect payment in full on that date, otherwise reserving the right at its option to determine that the Purchaser failed to comply with the offer of purchase.

OFFICIAL STATEMENT

The City has authorized the preparation of a Preliminary Official Statement containing pertinent information relative to the Bonds. The Preliminary Official Statement when further supplemented with maturity dates, principal amounts, and interest rates of the Bonds, and any other information required by law or deemed appropriate by the City, shall constitute a Final Official Statement of the City with respect to the Bonds, as that term is defined in Rule 15c2-12 of the Securities and Exchange Commission (the "Rule").

By awarding the Bonds to any underwriter or underwriting syndicate submitting an OFFICIAL BID FORM therefore, the City agrees that, no more than seven (7) business days after the date of such award, it shall provide without cost to the senior managing underwriter of the syndicate to which the Bonds are awarded up to 20 copies of the Final Official Statement to permit each "Participating Underwriter" (as that term is defined in the Rule) to comply with the provisions of such Rule. The City shall treat the senior managing underwriter of the syndicate to which the Bonds are awarded as its designated agent for purposes of distributing copies of the Final Official Statement to the Participating Underwriter. Any underwriter executing and delivering an OFFICIAL BID FORM with respect to the Bonds agrees thereby that if its bid is accepted by the City, (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all Participating Underwriters of the Bonds for purposes of assuring the receipt by each such Participating Underwriter of the Final Official Statement.

CUSIP NUMBERS

It is anticipated that Committee on Uniform Security Identification Procedures ("CUSIP") numbers will be printed on the Bonds and the Purchaser must agree in the bid proposal to pay the cost thereof. In no event will the City, Bond Counsel or Financial Advisor be responsible for the review or express any opinion that the CUSIP numbers are correct. Incorrect CUSIP numbers on said Bonds shall not be cause for the Purchaser to refuse to accept delivery of said Bonds.
