PRELIMINARY OFFICIAL STATEMENT

\$5,000,000

LEBANON COMMUNITY SCHOOL CORPORATION Lebanon, Indiana GENERAL OBLIGATION BONDS OF 2018

INTRODUCTION TO THE OFFICIAL STATEMENT

The Lebanon Community School Corporation of Boone County, Indiana (the “School Corporation”) is issuing \$5,000,000 of General Obligation Bonds of 2018 (the “Bonds”).

SECURITY AND SOURCES OF PAYMENT

The Bonds are the general obligation of the School Corporation payable from ad valorem property taxes to be levied on all taxable property within the School Corporation. (See “Circuit Breaker Tax Credit” herein).

CIRCUIT BREAKER TAX CREDIT

Indiana Code Title 6, Article 1.1, Chapter 20.6 provides taxpayers with a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (“Circuit Breaker Tax Credit”). If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. The legislation requires local governments to fund their debt service obligations regardless of any property tax revenue shortfalls due to the Circuit Breaker Tax Credit. The State may intercept funds to pay debt service. (See “Intercept Program” and “Circuit Breaker Tax Credit” herein).

PURPOSE

The Bonds are being issued to pay the total cost of the renovation of and improvements to school facilities throughout the district, including the purchase of buses, equipment and technology (the “Project”), and to pay issuance expenses. Funding for the Project will be provided from proceeds of the Bonds and interest earnings during construction.

REDEMPTION PROVISIONS

The Bonds are not subject to optional redemption prior to maturity. The Bonds may be issued as Term Bonds at the discretion of the Underwriter (as hereinafter defined) and in that case, would be subject to mandatory sinking fund redemption as more fully described herein.

DENOMINATIONS

The Bonds are being issued in the denomination of \$5,000 or integral multiple thereof.

REGISTRATION AND EXCHANGE FEATURES

Each registered Bond shall be transferable or exchangeable only on such record at the designated corporate trust office of the Registrar and Paying Agent, The Bank of New York Mellon Trust Company, N.A., at the written request of the registered owner thereof or his/her attorney duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his/her duly authorized attorney. A further description of the registration and exchange features of the Bonds can be found in the Bond Resolution.

BOOK-ENTRY-ONLY SYSTEM

The Bonds shall initially be issued and held in book-entry form on the books of the central depository system. The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Bond certificate will be issued for the Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC. The School Corporation and the Registrar and Paying Agent may deem and treat the Clearing Agency (Cede & Co.) as the absolute owner and holder of such Bond for all purposes including, without limitation, the receiving of payment of the principal of, premium, if any, and interest on such Bonds, the receiving of notice and the giving of consent. Interest payable July 15, 2019, and semiannually thereafter, will be paid by check mailed one business day prior to the interest payment date to the registered owner or by wire transfer on the interest payment date to the depository shown as the registered owner (Refer to "Book-Entry-Only System" herein).

PROVISIONS FOR PAYMENT

The principal on the Bonds shall be payable at the designated corporate trust office of the Registrar and Paying Agent, or by wire transfer to DTC or any successor depository. All payments of interest on the Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered owners as the names appear as of the fifteenth day immediately preceding the interest payment date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Registrar or by wire transfer to DTC or any successor depository. If payment of principal or interest is made to DTC or any successor depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). Payments on the Bonds shall be made in lawful money of the United States of America, which, on the date of such payment, shall be legal tender.

So long as DTC or its nominee is the registered owner of the Bonds, principal and interest on the Bonds will be paid directly to DTC by the Paying Agent. (The final disbursement of such payments to the Beneficial Owners of the Bonds will be the responsibility of the DTC Participants and Indirect Participants, as defined and more fully described herein.)

NOTICES

Notice of redemption shall be mailed to the registered owners of all Bonds, not less than 30 nor more than 45 days prior to the date fixed for redemption.

TAX MATTERS

In the opinion of Ice Miller LLP, Indianapolis, Indiana ("Bond Counsel") under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax, although Bond Counsel observes that it is included in adjusted current earnings in calculating corporate alternative minimum taxable income for taxable years that begin prior to January 1, 2018. Such exclusion is conditioned on continuing compliance with the Tax Covenants (as hereinafter defined). In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is exempt from income taxation in the State of Indiana. The Bonds have been designated qualified tax-exempt obligations pursuant to Section 265(b)(3) of the Code. See "TAX MATTERS" herein.

AUTHORIZATION AND APPROVAL PROCESS

The Bonds are to be issued under the authority of Indiana law, including, without limitation, Indiana Code Title 20, Article 48, Chapter 1, as in effect on the date of delivery of the Bonds and pursuant to the Bond Resolution (Appendix B) adopted by the Board of School Trustees on July 17, 2018, as supplemented on August 21, 2018.

Pursuant to Indiana Code 6-1.1-20, with certain exceptions listed below, when property taxes are pledged to the repayment of bonds or leases to finance a project, a determination must be made as to whether the project is a "controlled project". Projects classified as controlled projects are subject to certain public approval procedures. A controlled project is one that is financed by a bond or lease, is payable by property taxes and costs more than the lesser of:

- (1) Depending on the date of adoption of the preliminary determination ordinance or resolution:
 - (a) If adopted after December 31, 2017, but before January 1, 2019, \$5 million;
 - (b) If adopted after December 31, 2018, an amount equal to the assessed value growth quotient (as determined by the DLGF) multiplied by the amount determined under this clause for the preceding calendar year;
- (2) An amount equal to:
 - (a) At least 1% of gross assessed value, if that total gross assessed value is more than \$100 million; or
 - (b) \$1 million if the gross assessed value is not more than \$100 million.

The main exceptions for a project being classified as a controlled project when there are property taxes being pledged to the repayment of the bonds or leases, and the project meets the criteria set forth in (1)-(2) above are when (a) property taxes are used only as a back-up to enhance credit, (b) a project is being refinanced to generate taxpayer savings, (c) the project is mandated by federal law, or (d) the project is in response to a natural disaster, emergency or accident which is approved by the School Corporation making it unavailable for its intended use.

The Project being funded by the Bonds is considered a non-controlled project and the issuance of the Bonds was able to continue without additional approval procedures.

SECURITY AND SOURCES OF PAYMENT

The Bonds are the general obligation of the School Corporation payable from ad valorem property taxes to be levied on all taxable property within the School Corporation. See "CIRCUIT BREAKER TAX CREDIT" herein.

The total bonded indebtedness of the School Corporation subject to the constitutional debt limit, including the Bonds, amounts to less than two percent of one third of the net assessed valuation of the School Corporation as required by the constitution of the State of Indiana.

INTERCEPT PROGRAM

Indiana Code Title 20, Article 48, Chapter 1, Section 11, as amended by Public Law 167-2017 (the “Act”), requires the Department of Local Government Finance (the “DLGF”) to review levies and appropriations of school corporations for debt service or lease rental payments (the “Debt Service Obligation”) that are payable in the succeeding calendar year. In the event a school corporation fails to levy and appropriate sufficient funds for such purpose for the next succeeding calendar year, the DLGF must establish levies and appropriations which are sufficient to pay such obligations.

The Act further provides upon failure to pay any Debt Service Obligation when due and upon notice and claim being filed with the Treasurer of the State of Indiana (the “State Treasurer”), the State Treasurer will pay the unpaid Debt Service Obligation of the school corporation within five (5) days, excluding Saturdays, Sundays and legal holidays of receiving such notice to the extent that the amounts described below as the Available Funds are available to the State Treasurer in accordance with the following procedures: (a) upon notice and claim being filed with the State Treasurer, the State Treasurer must immediately contact the school corporation and the person or entity filing the claim to confirm whether the school corporation is unable to make the required payment on the due date, (b) if confirmed, the State Treasurer must notify the Budget Director of the State of Indiana (the “State Budget Director”), the Auditor of the State of Indiana (the “State Auditor”) and any department or agency of the State of Indiana responsible for distributing funds appropriated by the Indiana General Assembly (the “General Assembly”) to provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, (c) within three (3) days, excluding Saturdays, Sundays and legal holidays, of receiving the notice from the State Treasurer, the State Budget Director, the State Auditor and any department or agency of the State of Indiana responsible for distributing funds appropriated by the General Assembly must provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, and (d) the State Treasurer must make such payment to the claimant from such funds within five (5) days, excluding Saturdays, Sundays and legal holidays of the claim being filed with the State Treasurer (clauses (a) through and including (d), collectively, the “State Intercept Program”). The funds to make such payment will be from the following sources, in the following amount and in the following order of priority: (i) first, from amounts appropriated by the General Assembly for distribution to the school corporation from State funds in the current fiscal year of the State of Indiana (the “Current Year School Distribution”), which begins on July 1 and ends on the immediately following June 30 (the “State Fiscal Year”), (ii) second, to the extent the amounts described in clause (i) are insufficient, from any remaining amounts appropriated by the General Assembly for distribution for tuition support in the current State Fiscal Year which are in excess of the aggregate amount of tuition support needed for distribution to all school corporations during the current State Fiscal Year, and (iii) third, to the extent the amounts described in clauses (i) and (ii) are insufficient and the General Assembly has adopted a biennial budget appropriating amounts in the immediately succeeding State fiscal year for distribution to the school corporation from State funds, then from such fund or account, as determined by the State Budget Director in an amount equal to the lesser of the unpaid Debt Service Obligation or the amount to be distributed to the school corporation in the immediately succeeding State Fiscal Year (clauses (i) through and including (iii), collectively, the “Available Funds”). If any such payment is made by the State Treasurer pursuant to the State Intercept Program, then the State will recover such amounts by deducting such amount from the future State distributions to be made to the school corporation, first from all funds of the school corporation except tuition support. The estimated State distributions for State fiscal year 2018 and resulting debt service coverage levels are as follows:

Fiscal Year 2018 Basic Grant Distribution (all funds) (1)	<u>\$23,404,072</u>
Estimated Combined Maximum Annual Debt Service (2)	<u>\$10,429,677</u>
State Distributions Required to Provide Two-Times Coverage	<u>\$20,859,354</u>
State Distributions Above Two-Times Coverage Amount	<u>\$2,544,718</u>
(1) Per the Indiana Department of Education, net of adjustments.	
(2) Based on combined outstanding debt for the year 2019 including debt service on the Bonds.	

While the above description is based upon enacted legislation, the General Assembly may make amendments to such statutes and therefore there is no assurance of future events.

INVESTMENT OF FUNDS

The proceeds of this issue are to be invested in accordance with the laws of the State of Indiana relating to the depositing, holding, securing or investing of public funds, including particularly Indiana Code 5-13, and the acts amendatory thereof and supplemental thereto. The School Corporation shall direct the investment of Bond proceeds.

THE BONDS

INTEREST CALCULATION

Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

REDEMPTION PROVISIONS

Optional Redemption:

The Bonds are not subject to optional redemption prior to maturity.

Mandatory Sinking Fund Redemption:

If any Bonds are issued as Term Bonds, the Paying Agent shall credit against the mandatory sinking fund requirement for the Term Bonds, and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any Term Bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Paying Agent for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Term Bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory redemption date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of that Term Bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall only credit such Term Bond to the extent received on or before 45 days preceding the applicable mandatory redemption date.

If fewer than all the Bonds are called for redemption at one time, the Bonds shall be redeemed in order of maturity determined by the School Corporation and by lot within maturity. Each \$5,000 principal amount shall be considered a separate Bond for purposes of mandatory redemption.

Notice of Redemption:

Notice of redemption shall be mailed to the registered owners of all Bonds to be redeemed at least 30 days but not more than 45 days prior to the date fixed for such redemption, unless notice is waived by the owner of the Bond or Bonds redeemed. If any of the Bonds are so called for redemption, and payment therefore is made to the Paying Agent in accordance with the terms of the Bond Resolution, then such Bonds shall cease to bear interest from and after the date fixed for redemption in the call.

BOOK-ENTRY-ONLY SYSTEM

The Bonds will be available only in book-entry form in the principal amount of \$5,000 or any integral multiple thereof. DTC will act as the initial securities depository for the Bonds. The ownership of one fully registered Bond for each maturity of the Bonds will be registered in the name of Cede & Co., as nominee for DTC.

SO LONG AS CEDE & CO, AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF THE BONDS, REFERENCES IN THIS OFFICIAL STATEMENT TO THE REGISTERED OWNERS (OR THE OWNERS) WILL MEAN CEDE & CO. AND WILL NOT MEAN THE BENEFICIAL OWNERS.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond will be issued for the Bonds, in the aggregate principal amount of such issue/maturity, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a S&P’s Global Rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the School Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal, interest and redemption amounts, if any, on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the School Corporation or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), the Paying Agent, or the School Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the School Corporation or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursements of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the School Corporation or the Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The School Corporation may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the School Corporation believes to be reliable, but neither the School Corporation nor the Underwriter takes any responsibility for the accuracy thereof.

In the event that the book-entry-only system is discontinued, the Paying Agent will provide for the registration of the Bonds in the name of the Beneficial Owners thereof. The School Corporation, the Registrar, the Paying Agent and any other Fiduciary would treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purposes of making and receiving payment of the principal thereof and interest thereon, and for all other purposes, and none of these parties would be bound by any notice or knowledge to the contrary.

Revision of Book-Entry-Only System:

In the event that either (1) the School Corporation receives notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities as a clearing agency for the Bonds or (2) the School Corporation elects to discontinue its use of DTC as a clearing agency for the Bonds, then the School Corporation and the Paying Agent will do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the Bonds, as are necessary or appropriate to discontinue use of DTC as a clearing agency for the Bonds and to transfer the ownership of each of the Bonds to such person or persons, including any other clearing agency, as the holder of such Bonds may direct in accordance with the Bond Resolution. Any expenses of such a discontinuation and transfer, including any expenses of printing new certificates to evidence the Bonds will be paid by the School Corporation.

PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION

The debt service payments are payable from ad valorem property taxes required by law to be levied by or on behalf of the School Corporation. Article 10, Section 1 of the Constitution of the State of Indiana ("Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. The Indiana General Assembly enacted legislation (Indiana Code Title 6, Article 1.1, Chapter 20.6), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See "CIRCUIT BREAKER TAX CREDIT" herein for further details on the levy and collection of property taxes.

Real and personal property in the State is assessed each year as of January 1. On or before August 1 of each year, the County Auditor must submit a certified statement of the assessed value of each taxing unit for the ensuing year to the Department of Local Government Finance ("DLGF"). The DLGF shall make the certified statement available on its gateway website located at <https://gateway.ifionline.org/> ("Gateway"). The County Auditor may submit an amended certified statement at any time before December 31 of the year preceding the budget year, the date by which the DLGF must certify the taxing units' budgets.

The certified statement of assessed value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31) and to set tax rates and levies. In preparing the taxing unit's estimated budget, the governing body must consider the net property tax revenue that will be collected by the taxing unit during the ensuing year, after taking into account the DLGF's estimate of the amount by which the taxing unit's distribution of property taxes will be reduced by the application of the Circuit Breaker Tax Credit (as defined in the summary of "CIRCUIT BREAKER TAX CREDIT" herein), and after taking into account the DLGF's estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the taxing unit will receive in the ensuing year. Before May 1 of each year, the fiscal officer of each political subdivision shall provide the DLGF with an estimate of the total amount of its debt service obligations (as defined in Indiana Code § 6-1.1-20.6-9.8) that will be due in the last six months of the current year and in the ensuing year. Beginning in 2018, the DLGF shall provide to each political subdivision: (1) an estimate of the maximum property tax rate that may be imposed by the political subdivision for the ensuing year for each cumulative fund or other fund for which a maximum property tax rate is established by law; and (2) an estimate of property taxes payable for the ensuing year for debt service. Before August 1 of each year, the DLGF shall provide to each taxing unit (1) an estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the unit will receive in the ensuing year if the unit's tax rates are imposed at the maximum allowable rate and levy under law and (2) an estimate of the amount by which the taxing unit's distribution of property taxes will be reduced due to the Circuit Breaker Tax Credit. Beginning in 2018, the State Budget Agency must provide to the DLGF and the County Auditor, an estimate of the certified local income tax distribution before June 1, and the DLGF must provide by July 1, the estimated amounts to be distributed at the taxing level to the County Auditor.

The taxing unit must submit the following information to the DLGF via Gateway: (i) its estimated budget; (ii) the estimated maximum permissible tax levy, as determined by the DLGF; (iii) the current and proposed tax levies of each fund; (iv) the estimated amount, determined by the DLGF, by which the taxing unit's property taxes may be reduced by the Circuit Breaker Tax Credit; (v) the amount of excess levy appeals to be requested, if any; and (vi) the time and place at which the taxing unit will conduct a public hearing related to the information submitted to Gateway. The public hearing must be conducted at least ten days prior to the date the governing body establishes the budget, tax rate and levy, which by statute must each be established no later than November 1.

The budget, tax levy and tax rate of each taxing unit are subject to review by the DLGF, and the DLGF shall certify the tax rates and tax levies for all funds of taxing units subject to the DLGF's review. The DLGF may not increase a taxing district's budget by fund, tax rate or tax levy to an amount which exceeds the amount originally fixed by the taxing unit unless the taxing unit meets all of the following: (i) the increase is requested in writing by the taxing unit; (ii) the requested increase is published on the DLGF's advertising internet website; and (iii) notice is given to the county fiscal body of the DLGF's correction.

The DLGF may not approve a levy for lease payments by a school corporation to a building corporation if: (i) there are no bonds of the building corporation outstanding; and (ii) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested. However, the DLGF may increase the school corporation's tax rate and levy if the tax rate and levy proposed by the school corporation are not sufficient to make its lease rental payments.

Taxing units have until December 31 of the calendar year immediately preceding the ensuing calendar year to file a levy shortfall appeal. Beginning with the 2019 budget year, the DLGF must complete its review and certification of budgets, tax rates and levies, not later than December 31 of the year preceding the budget year, unless a taxing unit in the county issues debt after December 1 or intends to file a shortfall appeal under Indiana Code § 6-1.1-18.5-16 in which case the DLGF must certify the budgets for the taxing units in the county by January 15 of the budget year.

On or before March 15, the County Auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. The County Auditor publishes a notice of the tax rate in accordance with Indiana statutes. The County Treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be

delayed due to a general reassessment or other factors). Property taxes are due and payable to the County Treasurer in two installments on May 10 and November 10, unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The County Auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Pursuant to State law, personal property is assessed at its actual historical cost less depreciation, in accordance with 50 IAC 4.2, the DLGF's Rules for the Assessment of Tangible Personal Property. Effective January 1, 2016, state law annually exempts from property taxation new tangible business personal property with an acquisition cost of less than \$20,000. Pursuant to State law, real property is valued for assessment purposes at its "true tax value" as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2011 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4 and the 2011 Real Property Assessment Guidelines, Version A ("Guidelines"), as adopted by the DLGF. P.L. 204-2016, SEC. 3, enacted in 2016, retroactive to January 1, 2016, amends State law to provide that "true tax value" for real property does not mean the value of the property to the user and that true tax value shall be determined under the rules of the DLGF. As a result of P.L. 204-2016, the DLGF has begun the process of amending the Manual. In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and Indiana Code § 6-1.1-4, as amended by P.L. 180-2016. Except for agricultural land, as discussed below, the Manual permits assessing officials in each county to choose any acceptable mass appraisal method to determine true tax value, taking into consideration the ease of administration and the uniformity of the assessments produced by that method. The Guidelines were adopted to provide assessing officials with an acceptable appraisal method, although the Manual makes it clear that assessing officials are free to select from any number of appraisal methods, provided that they produce "accurate and uniform values throughout the jurisdiction and across all classes of property". The Manual specifies the standards for accuracy and validation that the DLGF uses to determine the acceptability of any alternative appraisal method. "Net Assessed Value" or "Taxable Value" represents the "Gross Assessed Value" less certain deductions for mortgages, veterans, the aged, the blind, economic revitalization areas, resource recovery systems, rehabilitated residential property, solar energy systems, wind power devices, hydroelectric systems, geothermal devices and tax-exempt property. The "Net Assessed Value" or "Taxable Value" is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of the county's reassessment plan, as well as when changes occur in the property value due to new construction or demolition of improvements. Before July 1, 2013, and before May 1 of every fourth year thereafter, each county assessor will prepare and submit to the DLGF a reassessment plan for the county. The DLGF must complete its review and approval of the reassessment plan before January 1 of the year following the year in which the reassessment plan is submitted by the county. The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under the county's reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year, and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. For real property included in a group of parcels that is reassessed, the reassessment is the basis for taxes payable in the year following the year in which the reassessment is to be completed. The county may submit a reassessment plan that provides for reassessing more than twenty-five percent (25%) of all parcels of real property in the county in a particular year. A plan may provide that all parcels are to be reassessed in one (1) year. However, a plan must cover a four (4) year period. All real property in each group of parcels shall be reassessed under the county's current reassessment plan once during each reassessment cycle. The reassessment of the first group of parcels under a county's reassessment plan begins on May 1, 2018, and is to be completed on or before January 1, 2019. Since 2007, all real property assessments are revalued annually to reflect market value based on comparable sales data ("Trending"). When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located within 45 days after the written notification is given to the taxpayer or May 10 of that year,

whichever is later. While the appeal is pending, the taxpayer may pay taxes based on the current year's tax rate and the previous or current year's assessed value.

Beginning in 2018, the County Auditor shall submit to the DLGF, parcel level data of certified net assessed values as required by and according to a schedule provided by the DLGF.

CIRCUIT BREAKER TAX CREDIT

Description of Circuit Breaker:

Article 10, Section 1 of the Constitution of the State of Indiana (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. Indiana Code § 6-1.1-20.6 (the "Statute") authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in Indiana Code § 6-1.1-12-37), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute provides additional property tax limits for property taxes paid by certain senior citizens.

If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Circuit Breaker Tax Credit. Otherwise school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Constitutional Provision excludes from the application of the Circuit Breaker Tax Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute. In accordance with the Constitutional Provision, the General Assembly has, in the Statute, designated Lake County and St. Joseph County as "eligible counties" and has provided that property taxes imposed in these eligible counties to pay debt service and make lease rental payments for bonds or leases issued or entered into before July 1, 2008 or on bonds issued or leases entered into after June 30, 2008, to refund those bonds or leases, will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute, through and including December 31, 2019.

The Statute requires political subdivisions to fully fund the payment of outstanding debt service or lease rental obligations payable from property taxes ("Debt Service Obligations"), regardless of any reduction in property tax collections due to the application of the Circuit Breaker Tax Credit. For school corporations, any shortfall could also be funded through the State Intercept Program (herein defined); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation's general fund and school corporations are encouraged by the DLGF to fund any shortfall directly from the school corporation's general fund to avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the treasurer of the State by a claimant; the treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made: (i) first, from local income tax distributions that would otherwise be distributed to the county; and (ii) second, from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to IC 6-1.1-20.6-9.9, a school corporation that is expected to experience sufficient Circuit Breaker Tax Credit loss may, prior to May 1 of a year, request the DLGF, to certify the amount of Circuit Breaker Tax Credit loss, making the school corporation an eligible school corporation under IC 6-1.1-20.6-9.9 (an "Eligible School

Corporation”). An Eligible School Corporation may allocate its Circuit Breaker Tax Credit loss, for 2016, 2017, 2018 and 2019 proportionately across all school corporation property tax funds, including the debt service fund, and is exempt from the protected taxes requirement described below. The School Corporation did not qualify for this exemption for 2018, and does not know if it will qualify in 2019.

For 2018 or 2019, if a school corporation: (i) issues new bonds or enters into a new lease rental agreement for which the school corporation is imposing or will impose a debt service levy other than: (A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2017; or (B) for indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law; and (ii) the school corporation's total debt service levy and total debt service tax rate in 2018 or 2019 is greater than the school corporation's total debt service levy and total debt service tax rate in 2016, the school corporation will not be eligible to allocate its Circuit Breaker Tax Credit loss proportionately.

Except for an Eligible School Corporation, the Statute categorizes property taxes levied to pay Debt Service Obligations as “protected taxes,” regardless of whether the property taxes were approved at a referendum, and all other property taxes as “unprotected taxes.” The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The School Corporation may allocate the reduction by using a combination of unprotected taxes of the School Corporation in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the Circuit Breaker Tax Credit, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The School Corporation cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State of Indiana or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Circuit Breaker Tax Credit or the collection of property taxes by the School Corporation.

For example, in March, 2016, the Indiana General Assembly passed legislation which revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016, assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which could shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land may result in a reduction of the total assessed value of a school corporation. A lower assessed value of a school corporation may result in higher tax rates in order for such school corporation to receive its approved property tax levy. See “PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION” herein.

Estimated Circuit Breaker Tax Credit for the School Corporation:

According to the DLGF, the Circuit Breaker Tax Credit allocable to the School Corporation for budget years 2016, 2017 and 2018 were \$31,288, \$79,972 and \$40,923, respectively. These estimates do not include the estimated debt service on the Bonds.

The Circuit Breaker Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Circuit Breaker Tax Credit and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Circuit Breaker Tax Credit, and the resulting increase could be material.

CONTINUING DISCLOSURE

Pursuant to continuing disclosure requirements promulgated by the Securities and Exchange Commission ("SEC") in SEC Rule 15c2-12, as amended to the date hereof (the "SEC Rule"), the School Corporation has entered into a Master Continuing Disclosure Undertaking (the "Original Undertaking"), dated April 19, 2017. In connection with the issuance of the Bonds the School Corporation will enter into a Third Supplement to the Original Undertaking (the "Supplement" and together with the Original Undertaking, the "Undertaking"). Pursuant to the terms of the Undertaking, the School Corporation agrees to provide the information detailed in the Undertaking, the form of which is attached hereto as Appendix D.

The School Corporation may, from time to time, amend or modify the Undertaking without the consent of or notice to the owners of the Bonds if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the School Corporation, or type of business conducted; (ii) the Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date of execution of the Undertaking, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances; and (iii) such amendment or modification does not materially impair the interests of the holders of the Bonds, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Bonds pursuant to the terms of the Resolution at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds the Undertaking) is permitted by the SEC Rule, then in effect.

The School Corporation may, at its sole discretion, utilize an agent in connection with the dissemination of any annual financial information required to be provided by the School Corporation pursuant to the terms of the Undertaking.

The purpose of the Undertaking is to enable the Underwriter to purchase the Bonds by providing for an undertaking by the School Corporation in satisfaction of the SEC Rule. The Undertaking is solely for the benefit of the owners of the Bonds and creates no new contractual or other rights for the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other obligated persons or any other third party. The sole remedy against the School Corporation for any failure to carry out any provision of the Undertaking shall be for specific performance of the School Corporation's disclosure obligations under the Undertaking and not for money damages of any kind or in any amount or any other remedy. The School Corporation's failure to honor its covenants under the Undertaking shall not constitute a breach or default of the Bonds, the Resolution or any other agreement.

In the previous five years, the School Corporation has failed to consistently comply with its previous undertakings. Such failures include, but are not limited to the following: MBIA rating changes for the First Mortgage Refunding Bonds, Series 1998 (CABs) were not filed on a timely basis. The School Corporation makes no representation as to any potential materiality of such prior instances, as materiality is dependent upon individual facts and circumstances. The School Corporation has contracted with H.J. Umbaugh and Associates, Certified Public Accountants, LLP, as dissemination agent to assist with future compliance filings

PROPOSED LEGISLATION

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Legislation affecting municipal bonds is considered from time to time by the United States Congress and the Executive Branch, including some proposed changes under consideration at the time of issuance of the Bonds. Bond

Counsel's opinion is based upon the law in existence on the date of issuance of the Bonds. It is possible that legislation enacted after the date of issuance of the Bonds or proposed for consideration will have an adverse effect on the excludability of all or a part of the interest on the Bonds from gross income, the manner in which such interest is subject to federal income taxation or the market price of the Bonds.

Legislation affecting municipal bonds is considered from time to time by the Indiana legislature and Executive Branch. It is possible that legislation enacted after the date of the Bonds or proposed for consideration will have an adverse effect on payment or timing of payment or other matters impacting the Bonds.

The School Corporation cannot predict the outcome of any such federal or state proposals as to passage, ultimate content or impact if passed, or timing of consideration or passage. Purchasers of the Bonds should reach their own conclusions regarding the impact of any such federal or state proposals.

TAX MATTERS

In the opinion of Ice Miller LLP, Indianapolis, Indiana ("Bond Counsel") under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax, although Bond Counsel observes that it is included in adjusted current earnings in calculating corporate alternative minimum taxable income for taxable years that begin prior to January 1, 2018. This opinion is conditioned on continuing compliance by the School Corporation with the Tax Covenants (hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to the date of issue. In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds for State income tax purposes. See Appendix C for the form of opinion of Bond Counsel.

The Code imposes certain requirements which must be met subsequent to the issuance of the Bonds as a condition to the exclusion from gross income of interest on the Bonds for federal income tax purposes. The School Corporation will covenant not to take any action, within its power and control, nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code (collectively, the "Tax Covenants"). The Resolution and certain certificates and agreements to be delivered on the date of delivery of the Bonds establish procedures under which compliance with the requirements of the Code can be met. It is not an event of default under the Resolution if interest on the Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not in effect on the issue date of the Bonds.

Indiana Code § 6-5.5 imposes a franchise tax on certain taxpayers (as defined in Indiana Code § 6-5.5) which, in general, include all corporations which are transacting the business of a financial institution in Indiana. The franchise tax will be measured in part by interest excluded from gross income under Section 103 of the Code minus associated expenses disallowed under Section 265 of the Code. Taxpayers should consult their own tax advisors regarding the impact of this legislation on their ownership of the Bonds.

Although Bond Counsel will render an opinion in the form attached as Appendix C hereto, the accrual or receipt of interest on the Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, individuals, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Bonds should consult their own tax advisors with regard to the other tax consequences of owning the Bonds.

Under existing laws, judicial decisions, regulations and rulings, the Bonds have been designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code relating to the exception from the 100% disallowance of the deduction for interest expense allocable to interest on tax-exempt obligations acquired by financial institutions. The designation is conditioned on continuing compliance with the Tax Covenants.

ORIGINAL ISSUE DISCOUNT

The initial public offering price of the Bonds maturing on _____ (collectively the “Discount Bonds”) is less than the principal amount payable at maturity. As a result the Discount Bonds will be considered to be issued with original issue discount. A taxpayer who purchases a Discount Bond in the initial public offering at the price listed on the cover page hereof (assuming a substantial amount of such Discount Bond was sold at such price) and who holds such Discount Bond to maturity may treat the full amount of original issue discount as interest which is excludable from the gross income of the owner of that Discount Bond for federal income tax purposes and will not, under present federal income tax law, realize taxable capital gain upon payment of the Discount Bond at maturity.

The original issue discount on each of the Discount Bonds is treated as accruing daily over the term of such Bond on the basis of the yield to maturity determined on the basis of compounding at the end of each six-month period (or shorter period from the date of the original issue) ending on January 15 and July 15 (with straight line interpolation between compounding dates).

Section 1288 of the Code provides, with respect to tax-exempt obligations such as the Discount Bonds, that the amount of original issue discount accruing each period will be added to the owner's tax basis for the Discount Bonds. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale, redemption or payment at maturity). Owners of Discount Bonds who dispose of Discount Bonds prior to maturity should consult their tax advisors concerning the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bonds prior to maturity.

As described above in “TAX MATTERS,” the original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. Owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in a tax liability from these collateral tax consequences even though the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners who purchase Discount Bonds in the initial public offering but at a price different from the prices listed on the cover page hereof should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

The Code contains certain provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. Owners who do not purchase Discount Bonds in the initial offering should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Owners of Discount Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discount Bonds. It is possible under the applicable provisions governing the determination of state or local income taxes accrued interest on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

AMORTIZABLE BOND PREMIUM

The initial offering price of the Bonds maturing on _____ (the “Premium Bonds”), is greater than the principal amount payable at maturity or call date. As a result, the Premium Bonds will be considered to be issued with amortizable bond premium (the “Bond Premium”). An owner who acquires a Premium Bond in the initial offering will be required to adjust the owner's basis in the Premium Bond downward as a result of the amortization of the Bond Premium, pursuant to Section 1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon the disposition of the Premium Bonds (including sale, redemption or payment at maturity or call). The amount of amortizable Bond Premium will be computed on the basis of the owner's yield to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth in Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning the Premium Bonds. Owners of the Premium Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of

the treatment of Bond Premium upon the sale or other disposition of Premium Bonds and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities are found at Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their own tax advisors concerning treatment of Bond Premium.

LITIGATION

To the knowledge of the officers and counsel for the School Corporation, there is no litigation pending or threatened, against the School Corporation, which in any way questions or affects the validity of the Bonds, or any proceedings or transactions relating to the issuance, sale or delivery thereof.

The officers and counsel for the School Corporation will certify at the time of delivery of the Bonds that there is no litigation pending or in any way threatened questioning the validity of the Bonds, or any of the proceedings had relating to the authorization, issuance and sale of the Bonds, the Bond Resolution or the Project that would result in a material adverse impact on the financial condition of the School Corporation.

CERTAIN LEGAL MATTERS

Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Ice Miller LLP, Indianapolis, Indiana, Bond Counsel, whose approving opinion will be available at the time of delivery of the Bonds. Ice Miller LLP has not been asked nor has it undertaken to review the accuracy or sufficiency of this Official Statement, and will express no opinion thereon. The form of opinion of Bond Counsel is included as Appendix C of this Official Statement.

LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The remedies available to the bondholders upon a default under the Bond Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the remedies provided in the Bond Resolution may not be readily available or may be limited. Under federal and State environmental laws certain liens may be imposed on property of the School Corporation from time to time, but the School Corporation has no reason to believe, under existing law, that any such lien would have priority over the lien on the property taxes pledged to owners of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

These exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the School Corporation), in a manner consistent with the public health and welfare. Enforceability of the Bond Resolution in a situation where such enforcement may adversely affect public health and welfare may be subject to these police powers.

The School Corporation certifies to the best of its knowledge and belief that this Official Statement, as of its date and as it relates to the School Corporation and its economic and financial condition, (i) is complete and accurate; (ii) does not contain any untrue statement of a material fact; and (iii) does not omit any material facts or information which would make the statements contained herein misleading.

This Official Statement and its execution are duly authorized.

Notice is hereby given that electronic proposals will be received via PARITY[®], in the manner described below, until the time and date specified in the Notice provided at least 24 hours prior to the sale, which is expected to be 11:00 a.m. (Indianapolis Time), on September 27, 2018. Bids may be submitted electronically via PARITY[®] pursuant to this Notice until the time specified in this Notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY[®] conflict with this Notice, the terms of this Notice shall control. For further information about PARITY[®], potential

bidders may contact the School Corporation's advisor, H.J. Umbaugh & Associates, Certified Public Accountants, LLP at (317) 465-1500 or PARITY® at (212) 849-5021.

At the time designated for the sale, the School Corporation will receive at the offices of H.J. Umbaugh & Associates, Certified Public Accountants, LLP, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana, and consider bids for the purchase of the following described Bonds:

Lebanon Community School Corporation General Obligation Bonds of 2018 (the "Bonds"), an Indiana political subdivision, in the principal amount of \$5,000,000; Fully registered form; Denomination \$5,000 and integral multiples thereof (or in such other denomination as requested by the winning bidder); Originally dated the date of delivery of the Bonds; Bearing interest at a rate or rates to be determined by bidding, payable on July 15, 2019, and semiannually thereafter; These Bonds will be initially issued in a Book Entry System (as defined in the Bond Resolution (as hereinafter defined)) unless otherwise requested by the winning bidder. Interest payable by check mailed one business day prior to the interest payment date or by wire transfer to depositories on the interest payment date to the person or depository in whose name each Bond is registered with The Bank of New York Mellon Trust Company, N.A. (the "Registrar") on the fifteenth day immediately preceding such interest payment date; Maturing or subject to mandatory redemption on January 15 and July 15 beginning on July 15, 2019 through no later than January 15, 2024 on the dates and amounts as provided by the School Corporation prior to the sale.

As an alternative to PARITY®, bidders may submit a sealed bid or e-mail the bid electronically to the School Corporation's municipal advisor at the address described above until the time and on the date identified in the notice given by, or on behalf of the School Corporation, twenty-four hours prior to the sale of the Bonds. Upon completion of the bidding procedures described herein, the results of the sealed, non-electronic bids received shall be compared to the electronic bids received by the School Corporation.

If a potential bidder has questions related to the School Corporation, the financing or submission of bids, questions should be submitted by email to the addresses above no later than 11:00 a.m. (Indianapolis Time) on September 25, 2018. To the best of the School Corporation's ability, all questions will be addressed by or on behalf of the School Corporation and sent to

potential bidders, including any bidders requesting 24 hours' notice of sale, no later than 5:00 p.m. (Indianapolis Time) on September 25, 2018. Additionally, upon request, the written responses will be emailed to any other interested bidder. Bidders should review this notice as well as the Preliminary Official Statement and submit any questions in advance of this deadline to submit questions.

The Bonds are not subject to optional redemption prior to maturity.

A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi-annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.

In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

The Bonds have been designated as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Code.

Each bid must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/100th or 1/8th of 1%. The maximum interest rate of the Bonds shall not exceed 5.0% per annum. All Bonds maturing on the same date shall bear the same rate, and the rate of interest bid for each maturity must be equal to or greater than the rate bid on the immediately preceding maturity. Bids shall set out the total

amount of interest payable over the term of the Bonds and the net interest cost on the Bonds covered by the bid. No bid for less than 99.5% of the face value of the Bonds will be considered. The Bonds will be awarded to the lowest responsible and responsive bidder who has submitted a bid in accordance herewith the "Purchaser"). The Purchaser will be the one who offers the lowest net interest cost to the School Corporation, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the School Corporation prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter, during which time no bids for less than the highest bid received at the time of the advertised sale will be considered. No conditional bids will be considered.

Each bid not submitted via PARITY® must be enclosed in a sealed envelope addressed to the School Corporation and marked on the outside "Lebanon Community School Corporation Bid for General Obligation Bonds of 2018." A good faith deposit ("Deposit") in the form of cash, wire transfer, or certified or cashier's check in the amount of \$50,000 payable to the order of the School Corporation is required to be submitted by the Purchaser not later than 3:30 p.m. (EST) on the next business day following the award. If such Deposit is not received by that time, the School Corporation may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the School Corporation as liquidated damages.

The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the School Corporation and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the School Corporation fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the School Corporation. The Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository-eligible. If the Bonds are reoffered, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the School Corporation the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their bid to assist the School Corporation in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the School Corporation at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the School Corporation and Ice Miller LLP ("Bond Counsel").

Bidders must comply with the rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder

prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the School Corporation; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The approving opinion of Bond Counsel, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the successful bidder at the expense of the School Corporation.

The Bonds are being issued for the purpose of renovation of and improvements to school facilities throughout the district, including the purchase of buses, equipment and technology, and will be direct obligations of the School Corporation payable out of ad valorem taxes to be collected on the taxable property within the School Corporation; however, the School Corporation's collection of the levy may be limited by operation of I.C. 6-1.1-20.6, which

provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The School Corporation may not be able to levy or collect additional property taxes to make up this short fall. The School Corporation is a school corporation organized pursuant to the provisions of I.C. 20-23, and the Bonds will not be "private activity bonds" as defined in Section 141 of the Internal Revenue Code of 1986.

The Bonds constitute an indebtedness only of the School Corporation. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is exempt from all income taxation in Indiana. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is excludable from gross income for purposes of federal income taxation.

The School Corporation has prepared a Preliminary Official Statement (the "Preliminary Official Statement") relating to the Bonds which it has deemed nearly final. A copy of the Preliminary Official Statement may be obtained from the School Corporation's municipal advisor, H.J. Umbaugh & Associates, Certified Public Accountants, LLP, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687. Within seven (7) business days of the sale, the School Corporation will provide the successful bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") at the School Corporation's expense in order for such bidder to comply with Section (b)(4) of the SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board. Additional copies, at the Purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the

Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.

If the Bonds are reoffered, the School Corporation agrees to enter into a continuing disclosure undertaking (the "Master Agreement") in order to permit the Purchaser to comply with the SEC Rule 15c2-12, as amended to the date hereof (the "SEC Rule"). A copy of the Master Agreement is available from the School Corporation or municipal advisor at the addresses below.

The School Corporation has further agreed to comply with the Purchaser's reasonable requests to provide or disclose information and make appropriate filings which may be required in order for such purchaser to comply with the SEC Rule.

Further information relative to said issue and a copy of the Preliminary Official Statement may be obtained upon application to H.J. Umbaugh & Associates, Certified Public Accountants, LLP, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687, municipal advisor to the School Corporation; or Charles Tait, Asst. Superintendent/Business Manager of the School Corporation, 1810 North Grant Street, Lebanon, Indiana 46052. If bids are submitted by mail, they should be addressed to the School Corporation, attention of the Asst. Superintendent/Business Manager of the School Corporation, c/o H.J. Umbaugh & Associates, Certified Public Accountants, LLP, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687.

PENSION OBLIGATIONS

Teachers' Retirement Fund

Plan Description

The Indiana Teachers' Retirement Fund (TRF) is a defined benefit pension plan. TRF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and gives the School Corporation authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The School Corporation may elect to make the contributions on behalf of the member.

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the TRF plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (888) 286-3544

Funding Policy and Annual Pension Cost

The School Corporation contributes the employer's share to TRF for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995 is considered to be an obligation of, and is paid by, the State of Indiana.

Employer contributions for the year 2017 were \$1,273,859.

The School Corporation also contributes to additional pension plans unique to the School Corporation. Information regarding these plans may be obtained from the School Corporation.

Employer contributions for the year 2017 were \$897,292.

Other Benefits

The School Corporation contributes to VEBAs for 27 existing VEBA retirees, 10 grandfathered teachers and 3 administrators. An actuarial study was completed in August 2014 and estimates the payout of these benefits range from \$885,188 to \$1,017,188, depending on when those eligible retire, with all payments made by July 31, 2024. Payments for these benefits are made from a VEBA trust fund.

In addition, the School Corporation provides that it will buy out up to 72 unused sick days upon retirement. The School Corporation pays \$50 per day, for a maximum buy out of \$3,600 per employee at retirement. The School Corporation expects to be able to meet this obligation each year out of its budget. The School Corporation paid \$17,350 for this benefit in 2017.

The School Corporation also offers eligible retirees and their spouses medical, dental, vision, and life insurance; however, the School Corporation makes no contribution.

GENERAL ECONOMIC AND FINANCIAL INFORMATION

COMMERCE AND INDUSTRY

The City and the Town of Whitestown have a variety of employment opportunities for area residents. The City is home to several manufacturing firms that produce a variety of products including trailer systems, commercial and industrial fans, filtration systems, and specialty food processing. The location of the City provides easy access to several major cities and is nearby Interstate 65. This has been an important factor to the retail trade and industrial growth of the area.

Witham Memorial Hospital has been located in the City for over 100 years and in 2016 the hospital's board approved plans for a \$24 million addition, according to the Indiana Economic Digest. The 76,636 square-foot addition includes services such as wound care, endocrinology, and a pain clinic. It is anticipated that 60 new jobs will be created. According to the Boone County Economic Development Corporation (the "EDC"), the hospital broke ground on the addition in August 2017 and the project is still currently under construction.

Many of the largest employers in the City are located in the Lebanon Business Park including Case New Holland Industrial (CNH Industrial), Skjodt-Barrett Foods, Hachette Book Group, D-A Lubricant, and Maplehurst Bakeries. According to the Indiana Economic Digest, in August 2016 it was announced that the Lebanon Business Park would be expanding by approximately 250 acres and the expansion has been designated as a CSX Select Site. The CSX Select Site designation will allow businesses to run the rail line from the switching point of the railroad track in the business park directly to their facility.

This is the third time the company has expanded its Lebanon operations since locating to the City.

United States Cold Storage is a logistics provider for the frozen and refrigerated food industry that currently has a 200,000 square foot facility in the Lebanon Business Park. In November 2017, the company received incentives from the City for a potential expansion, per the EDC. The Town of Whitestown has experienced significant growth in the last six years. This rapid growth will allow Whitestown to qualify for \$1.5 million in additional state and federal funding over the next five years which the community can spend on improvements for roads, trails, and amenities. Projections show the population continuing to increase, reaching an estimated 12,000 by 2020.

In addition to the population, Whitestown continues to see growth in housing and industry. In the last four years corporations such as Cummins, Daimler Trucks North America, REGO-FIX, Telamon, AmerisourceBergen, Vroom, RPM Machinery, CSL Plasma, Weaver Popcorn, GNC, Kenco, and Elliot Company have all chosen to open locations in Whitestown. Whitestown's industrial development is focused along Interstate 65 where the 450 acre master planned Perry Industrial Park is located on the west side and the 600 acre AllPoints at Anson is located on the east side. The \$55 million facility is 320,000 square feet and is one of 27 distribution centers the company has in the United States. Several residential developments are still underway in Whitestown. Well known area builders such as Pulte, Beazer, David Weekley, Lennar, and Westport Homes are all currently constructing homes in several neighborhoods. There are also plans for retail development. In July 2017 a \$50 million development on a 33 acre plot called the Shoppes at Whitestown was approved by the plan commission. The development will have two large buildings totaling 270,000 square feet of retail space with room for approximately 20 tenants as well as seven outparcels for restaurants and boutiques. DEBT LIMIT

The amount of general obligation debt a political subdivision of the State of Indiana can incur is controlled by the constitutional debt limit, which is an amount equal to 2% of the value of taxable property within the political subdivision. Pursuant to Indiana Code 36-1-15, the value of taxable property within the political subdivision is divided by three for the purposes of this calculation. The School Corporation debt limit, based upon the adjusted value of taxable property, is shown below.

NOTE: Net assessed valuations represent the assessed value less certain deductions for mortgages, veterans, the aged and the blind, as well as tax-exempt property.

Real property is valued for assessment purposes at its true tax value as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2011 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4, and the 2011 Real Property Assessment Guidelines ("Guidelines"), as adopted by the Department of Local Government Finance ("DLGF"). In the case of agricultural land, true tax value is the value determined in accordance with the Guidelines adopted by the DLGF and IC 6-1.1-4-13. In the case of all other real property, true tax value is defined as "the market value-in-use of a property for its current use, as reflected by the utility received by the owner or by a similar user, from the property."

P.L. 180-2016 revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016 assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which could shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land may result in a reduction of the total assessed value of a School Corporation. Lower assessed values of a School Corporation may result in higher tax rates in order for a School Corporation to receive its approved property tax levy.

Real property assessments are annually adjusted to market value based on sales data. The process of adjusting real property assessments to reflect market values has been termed "trending" by the DLGF.

The Manual permits assessing officials in each county to choose any acceptable mass appraisal method to determine true tax value, taking into consideration the ease of administration and the uniformity of the assessments produced by that method. The Guidelines were adopted to provide assessing officials with an acceptable appraisal method, although the Manual makes it clear that assessing officials are free to select from any number of appraisal methods, provided that they produce accurate and uniform values throughout the jurisdiction and across all classes of property. The Manual specifies the standards for accuracy and validation that the DLGF uses to determine the acceptability of any alternative appraisal method.

(1) Circuit Breaker Tax Credits allocable to the School Corporation per the DLGF.

Indiana Code 6-1.1-20.6 (the "Statute") provides taxpayers with a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit ("Circuit Breaker Tax Credit").

Property taxes for residential homesteads are limited to 1.0% of the gross assessed value of the homestead; property taxes for agricultural, other residential property and long term care facilities are limited to 2.0% of their gross assessed value; and property taxes for all other real and personal property are limited to 3.0% of gross assessed value. Additional property tax limits have been made available to certain senior citizens. School corporations are authorized to impose a referendum tax levy to replace property tax revenue that the school corporation will not receive due to the Circuit Breaker Tax Credit. Other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The political subdivision may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

APPENDIX B

FINAL BOND RESOLUTION

WHEREAS, Lebanon Community School Corporation (the "Issuer" or "School Corporation") is a school corporation organized and existing under the provisions of Indiana Code § 20-23; and

WHEREAS, the Board of School Trustees (the "Board") finds that the present facilities of the School Corporation are not adequate to provide the proper education of the students now attending or who will attend its schools; and

WHEREAS, the Board finds that there are not sufficient funds available or provided for in existing tax levies with which to pay the total cost of the renovation of and improvements to school facilities throughout the district, including the purchase of buses, equipment and technology (the "Project"), and that the School Corporation should issue bonds in an amount not to exceed Five Million Dollars (\$5,000,000) (the Bonds") for the purpose of providing funds to be applied on the cost of the Project, and that bonds in such amount should now be authorized; and

WHEREAS, the School Corporation has determined that the total cost of the Project authorized herein will not exceed the lesser of: (i) \$5,000,000; or (ii) the greater of (a) one percent (1%) of the total gross assessed value of property within the School Corporation on the last assessment date, or (b) \$1,000,000 and, therefore, the bonds will not be issued to fund a controlled project, as defined in IC 6-1.1-20-1.1; and

WHEREAS, the net assessed valuation of taxable property in the School Corporation, as shown in the last final and complete assessment which was made in the year 2017 for state and county taxes collectible in the year 2018 is \$1,385,083,319 and there is \$2,755,000 of outstanding indebtedness of the School Corporation for constitutional debt purposes (excluding the Bonds authorized herein); such assessment and outstanding indebtedness amounts shall be verified at the time of the payment for and delivery of the Bonds; now, therefore,

BE IT RESOLVED by the Board of the Issuer that, for the purpose of obtaining funds to be applied on the cost of the Project, there shall be issued and sold the Bonds of the School Corporation to be designated as "General Obligation Bonds of 2018" (or such other name or series designation as determined by the School Corporation's municipal advisor). The Bonds shall be in a principal amount not to exceed Five Million Dollars (\$5,000,000), bearing interest at a rate or rates not exceeding five percent (5.0%) per annum (the exact rate or rates to be determined by bidding), which interest shall be payable on July 15, 2019, and semi-annually thereafter on January 15 and July 15 in each year. Interest on the Bonds shall be calculated according to a 360-day year containing twelve 30-day months. The Bonds shall be numbered consecutively from R-1 upward, fully registered in the denomination of Five Thousand Dollars (\$5,000) or integral multiples thereof (or other denominations as requested by the winning bidder), and shall mature or be subject to mandatory redemption on January 15 and July 15 beginning July 15, 2019 through no later than January 15, 2024.

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the successful bidder. Such term bonds shall have a stated maturity or maturities as determined by the successful bidder or by negotiation with the purchaser, but in no event later than the last

serial date of the Bonds as determined in accordance with the above paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on dates and in the amounts hereinafter determined in accordance with the above paragraph.

The original date shall be the date of delivery of the Bonds. The authentication certificate shall be dated when executed by The Bank of New York Mellon Trust Company, N.A., as registrar and paying agent (the "Paying Agent" or "Registrar").

Interest shall be paid from the interest payment date to which interest has been paid next preceding the date of authentication unless the bond is authenticated on or before the fifteenth day immediately preceding the first interest payment date, in which case interest shall be paid from the original date, or unless the Bond is authenticated after the fifteenth day immediately preceding an interest payment date and on or before such interest payment date, in which case interest shall be paid from such interest payment date.

Interest and principal shall be payable as described in the Bonds.

The Bonds are transferable by the registered owner at the principal corporate trust office of the Paying Agent upon surrender and cancellation of a Bond and on presentation of a duly executed written instrument of transfer, and thereupon a new Bond or Bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor. The Bonds may be exchanged upon surrender at the principal corporate trust office of the Registrar and Paying Agent, duly endorsed by the registered owner for the same aggregate principal amount of bonds of the same maturity in authorized denominations as the owner may request. The cost of such transfer or exchange shall be paid by the Issuer.

In the event any Bond is mutilated, lost, stolen, or destroyed, the School Corporation may execute and the Paying Agent may authenticate a new Bond of like date, maturity, and denomination as that mutilated, lost, stolen, or destroyed, which new Bond shall be marked in a manner to distinguish it from the Bond for which it was issued, provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Paying Agent, and in the case of any lost, stolen, or destroyed Bond there shall be first furnished to the Paying Agent evidence of such loss, theft, or destruction satisfactory to the School Corporation and the Paying Agent, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the School Corporation and the Paying Agent may, upon receiving indemnity satisfactory to them, pay the same without surrender thereof. The School Corporation and the Paying Agent may charge the owner of such Bond with their reasonable fees and expenses in connection with delivering the new Bond. Any Bond issued pursuant to this paragraph shall be deemed an original, substitute contractual obligation of the School Corporation, whether or not the lost, stolen, or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this resolution, equally and proportionately with any and all other Bonds issued hereunder.

The Issuer agrees that it will deposit with the Paying Agent funds in an amount equal to the principal of, premium, if any, and interest on the Bonds which shall become due in accordance with the terms of the Paying Agent Agreement (as hereinafter defined).

The form of the Registrar and Paying Agent Agreement (the "Paying Agent Agreement") presented to the Board is hereby approved and any officers of the Board of the School Corporation are authorized and directed to execute the Paying Agent Agreement after the sale of the Bonds.

Notwithstanding any other provision of this Resolution, the Issuer will enter into the Paying Agent Agreement with the Paying Agent in which the Paying Agent agrees that upon any default or insufficiency in the payment of principal and interest as provided in the Paying Agent Agreement, the Paying Agent will immediately, without any direction, security or indemnity file a claim with the Treasurer of the State of Indiana for an amount equal to such principal and interest in default and consents to the filing of any such claim by a Bondholder in the name of the Paying Agent for deposit with the Paying Agent. Filing of the claim with the Treasurer of the State of Indiana, as described above, shall occur on the dates set forth in the Paying Agent Agreement.

If required by the successful bidder, the Issuer has hereby authorized the Bonds may be held by a central depository system pursuant to an agreement between the Issuer and The Depository Trust Company, and have transfers of the Bonds effected by book-entry on the books of the central depository system (unless otherwise requested by the winning bidder). Upon initial issuance, the ownership of such Bonds is expected to be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee (the "Nominee") of The Depository Trust Company ("DTC"). However, upon the successful bidder's request, the Bonds may be delivered and held by physical delivery as an alternative to DTC.

With respect to the Bonds registered in the register kept by the Paying Agent in the name of the Nominee, the Issuer and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner") of the Bonds with respect to (i) the accuracy of the records of DTC, the Nominee, or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any Bondholder (including any Beneficial Owner) or any other person, other than DTC, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any Bondholder (including any Beneficial Owner) or any other person, other than DTC, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than DTC shall receive an authenticated Bond evidencing an obligation of the Issuer to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to this Resolution. The Issuer and the Paying Agent may treat as and deem DTC or the Nominee to be the absolute Bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to Bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by Bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Issuer of written notice to the effect that DTC has determined to substitute a new Nominee in place of the Nominee, and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this resolution shall refer to such new Nominee of DTC. Notwithstanding any

other provision hereof to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to DTC as provided in a representation letter from the Issuer to DTC.

Upon receipt by the Issuer of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the Issuer kept by the Paying Agent in the name of the Nominee, but may be registered in whatever name or names the Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this resolution.

If the Issuer determines that it is in the best interest of the Bondholders that they be able to obtain certificates for the fully registered Bonds, the Issuer may notify DTC and the Paying Agent, whereupon DTC will notify the Beneficial Owners of the availability through DTC of certificates for the Bonds. In such event, the Paying Agent shall prepare, authenticate, transfer and exchange certificates for the Bonds as requested by DTC and any Beneficial Owners in appropriate amounts, and whenever DTC requests the Issuer and the Paying Agent to do so, the Paying Agent and the Issuer will cooperate with DTC by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Bonds of any Beneficial Owner's DTC account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of a depository trust company, the Paying Agent shall cause the Bonds to be printed in blank in such number as the Paying Agent shall determine to be necessary or customary; provided, however, that the Paying Agent shall not be required to have such Bonds printed until it shall have received from the Issuer indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to Bondholders by the Issuer or the Paying Agent with respect to any consent or other action to be taken by Bondholders, the Issuer or the Paying Agent, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the Bonds are registered in the name of DTC or the Nominee, or any substitute nominee, the Issuer and the Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Bonds or from DTC on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Bonds and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Paying Agent and DTC, to the same extent as if such consent, advice, direction, demand or vote were made by the Bondholders for purposes of this resolution and the Issuer and the Paying Agent shall for such purposes treat the Beneficial Owners as the Bondholders. Along with any such certificate or representation, the Paying Agent may request DTC to deliver, or cause to be delivered, to the Paying Agent a list of all Beneficial Owners

of the Bonds, together with the dollar amount of each Beneficial Owner's interest in the Bonds and the current addresses of such Beneficial Owners.

The Paying Agent may at any time resign as Paying Agent by giving thirty (30) days written notice to the Issuer and to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such thirty (30) days or upon the earlier appointment of a successor Paying Agent by the School Corporation. Such notice to the Issuer may be served personally or be sent by first-class or registered mail. The Paying Agent may be removed at any time as Paying Agent by the Issuer, in which event the Issuer may appoint a successor Paying Agent. The Paying Agent shall notify each registered owner of the Bonds then outstanding of the removal of the Paying Agent. Notices to registered owners of the Bonds shall be deemed to be given when mailed by first-class mail to the addresses of such registered owners as they appear on the Registration Record. Any predecessor Paying Agent shall deliver all the Bonds, cash and investments related thereto in its possession and the Registration Record to the successor Paying Agent. At all times, the same entity shall serve as registrar and paying agent.

In order to provide for the payment of the principal of and interest on the Bonds, there shall be levied in each year upon all taxable property in the School Corporation, real and personal, and collected a tax in an amount and in such manner sufficient to meet and pay the principal of and interest on the Bonds as they become due, and the proceeds of this tax are hereby pledged solely to the payment of the Bonds. Such tax shall be deposited into the School Corporation's Debt Service Fund and used to pay the principal of and interest on the Bonds, when due, together with any fiscal agency charges. If the funds deposited into the Debt Service Fund are then insufficient to meet and pay the principal of and interest on the Bonds as they become due, then the School Corporation covenants to transfer other available funds of the School Corporation to meet and pay the principal and interest then due on the Bonds.

The School Corporation represents and covenants that the Bonds herein authorized, when combined with other outstanding indebtedness of the School Corporation at the time of issuance of the Bonds, will not exceed any applicable constitutional or statutory limitation on the School Corporation's indebtedness.

The Bonds are not subject to optional redemption prior to maturity.

If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for any term bonds, and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have previously been redeemed (other than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date as stated above.

Each Five Thousand Dollars (\$5,000) (or other denominations as requested by the successful bidder, as permitted by law) principal amount shall be considered a separate Bond for purposes of redemption. If less than an entire maturity is called for redemption, the Bonds to be called shall be selected by lot by the Registrar.

Notice of redemption shall be mailed to the address of the registered owner as shown on the Registration Records of the Paying Agent, as of the date which is forty-five (45) days prior to the date fixed for redemption, not less than thirty (30) days prior to such redemption date, unless notice is waived by the owner of the Bond or Bonds redeemed. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the School Corporation. Interest on the Bonds so called for redemption shall cease and the Bonds will no longer be deemed outstanding under this resolution on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price, including accrued interest and redemption premium, if any, to the redemption date, on the date so named. Failure to give such notice by mailing, or any defect in such notice, with respect to any Bond shall not affect the validity of any proceedings for redemption of other Bonds.

If the Bonds are not presented for payment or redemption on the date fixed therefor, the School Corporation may deposit in trust with the Paying Agent, an amount sufficient to pay such Bond or the redemption price, as the case may be, including accrued interest to the date of such payment or redemption, and thereafter the registered owner shall look only to the funds so deposited in trust with the Paying Agent for payment, and the School Corporation shall have no further obligation or liability in respect thereto.

If, when the Bonds or any portion thereof shall have become due and payable in accordance with their terms, and the whole amount of the principal and the interest so due and payable upon such Bonds or any portion thereof then outstanding shall be paid, or (i) cash, or (ii) direct non-callable obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, the principal of and the interest on which when due without reinvestment will provide sufficient money, or (iii) any combination of the foregoing, shall be held irrevocably in trust for such purpose, and provision shall also be made for paying all fees and expenses for the payment, then and in that case the Bonds or such designated portion thereof shall no longer be deemed outstanding or secured by this resolution.

The Bonds shall be executed in the name of Issuer by the manual or facsimile signature of any member of the Board of the School Corporation, and attested by the manual or facsimile signature of any member of the Board. In case any official whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the issuance, authentication or delivery of such Bonds, such signature or such facsimile shall, nevertheless, be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

No Bond shall be valid or obligatory for any purpose, unless and until authenticated by the Paying Agent. Such authentication may be executed by an authorized representative of the Paying

Agent, but it shall not be necessary that the same person authenticate all of the Bonds issued. The Issuer and the Paying Agent may deem and treat the person in whose name a bond is registered on the Bond Registration as the absolute owner thereof for all purposes, notwithstanding any notice to the contrary.

In order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the Bonds, the Issuer represents, covenants and agrees that:

(a) No person or entity, other than the Issuer or another governmental unit, will use proceeds of the Bonds or property financed by the bond proceeds other than as a member of the general public. No person or entity, other than the Issuer or another governmental unit, will own property financed by bond proceeds or will have actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract or any other type of arrangement that differentiates that person's or entity's use of such property from the use by the public at large.

(b) No Bond proceeds will be loaned to any entity or person. No bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the bond proceeds.

(c) The Issuer will, to the extent necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, rebate all required arbitrage profits on Bond proceeds or other moneys treated as Bond proceeds to the federal government as provided in Section 148 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and will set aside such moneys in a Rebate Account to be held by the Treasurer in trust for such purpose.

(d) The Issuer will file an information report form 8038-G with the Internal Revenue Service as required by Section 149 of the Code.

(e) The Issuer will not take any action nor fail to take any action with respect to the Bonds that would result in the loss of exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code, as existing on the date of issuance of the Bonds, nor will the Issuer act in any other manner which would adversely affect such exclusion.

The Issuer represents that it reasonably expects that tax-exempt bonds, warrants and other evidences of indebtedness issued by or on behalf of it or any subordinate entity, during the calendar year in which the bonds will be issued will be less than \$10,000,000 principal amount. This amount includes all obligations issued by, or on behalf of the Issuer and subordinate entities, including building corporation bonds. At least 95% of the net proceeds of the Bonds shall be used for governmental activities of Issuer. The Issuer hereby designates the Bonds as qualified tax exempt obligations for purposes of Section 265(b)(3) of the Code, relating to the disallowance of

100% of the deduction for interest expense allocable to tax-exempt obligations acquired after August 7, 1986.

The Bonds shall be issued in substantially the following form, all blanks to be filled in properly prior to delivery:

This Bond shall be initially issued in a Book Entry System (as defined in the Resolution). The provisions of this Bond and of the Resolution are subject in all respects to the provisions of the Letter of Representations between the Issuer and the Depository Trust Company, or any substitute agreement, effecting such Book Entry System.

This Bond is transferable in accordance with the Book Entry System or, if no such system is in effect, by the Registered Owner hereof at the principal corporate trust office of the Registrar and Paying Agent, upon surrender and

cancellation of this Bond and on presentation of a duly executed written instrument of transfer and thereupon a new Bond or Bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor. This Bond may be exchanged upon surrender hereof at the principal corporate trust office of the Registrar and Paying Agent, duly endorsed by the Registered Owner for the same aggregate principal amount of Bonds of the same maturity in authorized denominations as the owner may request.

The Issuer and the Registrar and Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof.

PURSUANT TO THE PROVISIONS OF THE ACT AND THE RESOLUTION, THE PRINCIPAL OF THIS BOND AND ALL OTHER BONDS OF THE BOND ISSUE AND THE INTEREST DUE THEREON ARE PAYABLE AS A LIMITED GENERAL OBLIGATION OF THE SCHOOL CORPORATION, FROM AD VALOREM PROPERTY TAXES TO BE LEVIED ON ALL TAXABLE PROPERTY WITHIN THE SCHOOL CORPORATION; HOWEVER, THE ISSUER'S COLLECTION OF THE LEVY MAY BE LIMITED BY OPERATION OF INDIANA CODE 6-1.1-20.6 WHICH PROVIDES TAXPAYERS WITH TAX CREDITS FOR PROPERTY TAXES ATTRIBUTABLE TO DIFFERENT CLASSES OF PROPERTY IN AN AMOUNT THAT EXCEEDS CERTAIN PERCENTAGES OF THE GROSS ASSESSED VALUE OF THAT PROPERTY. UPON THE FAILURE OF THE ISSUER TO MAKE DEBT SERVICE WHEN DUE AND UPON NOTICE AND CLAIM, THE INTERCEPT PROVISIONS OF INDIANA CODE 20-48-1-11 WILL APPLY.

This bond shall not be valid or become obligatory for any purpose until authenticated by the Registrar and Paying Agent.

The Issuer has designated this Bond a qualified tax exempt obligation for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended to the Original Date of the Bonds.

IN WITNESS WHEREOF, Issuer has caused this Bond to be executed in its name by the manual or facsimile signature of the President of its Board of School Trustees attested by the manual or facsimile signature of the Secretary of the Board.

[END OF BOND FORM]

BE IT FURTHER RESOLVED that prior to the sale of the Bonds at public sale, notice of such sale shall be published once each week for two (2) weeks in The Lebanon Reporter, the first of said publications to be at least fifteen (15) days prior to the date fixed for the sale of the Bonds and the last at least three (3) days prior, and in the Court & Commercial Record. At the time fixed for the opening of bids, the Board or its designated committee shall meet, all bids shall be opened in the presence of the Board or such committee, and the award shall be made by the Board or such committee.

The bond sale notice, when published, shall provide that each bid shall be in a sealed envelope marked "Bid for General Obligation Bonds of 2018," and the successful bidder shall provide a certified or cashier's check in the amount of Fifty Thousand Dollars (\$50,000), payable to Issuer, to insure the good faith of the bidder. In the event the successful bidder shall fail or refuse to accept delivery of the Bonds when ready for delivery, said check and the proceeds thereof shall be retained by the School Corporation as its liquidated damages. Said notice shall also provide that bidders for the Bonds shall name the purchase price for the Bonds, not less than 99.5% of par and the rate or rates of interest which the Bonds are to bear, not exceeding five percent (5.0%) per annum; that said interest rate or rates shall be in multiples of 1/100th or 1/8th of one percent (1%); that the interest rate named for any maturity shall be equal to or greater than the immediately preceding maturity; and that the highest bidder shall be the one who offers the lowest net interest cost to the Issuer, to be determined by computing the total interest on all of the Bonds to their maturities and deducting therefrom the premium bid, if any, or adding the discount bid, if any. The bond sale notice shall state that the opinion of Ice Miller LLP, bond counsel, approving the legality of the Bonds, will be furnished to the purchaser at the expense of the School Corporation, so that the School Corporation will receive due credit therefor in the bidding. The notice may contain such other terms and conditions as the attorney for the Issuer shall deem advisable.

The School Corporation Superintendent, Assistant Superintendent/Business Manager of the School Corporation and a representative of H.J. Umbaugh & Associates, Certified Public

Accountants, LLP are appointed as a bid committee and are authorized to award the Bonds to the buyer consistent with this resolution.

Subject to the terms and provisions contained in this paragraph and not otherwise, the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption by the School Corporation of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the School Corporation for the purpose of amending in any particular any of the terms or provisions contained in this Resolution, or in any supplemental resolution; provided, however, that nothing herein contained shall permit or be construed as permitting without the consent of all affected owners of the Bonds:

- (a) An extension of the maturity of the principal of or interest on any Bond without the consent of the holder of each Bond so affected; or
- (b) A reduction in the principal amount of any Bond or the rate of interest thereon or a change in the monetary medium in which such amounts are payable, without the consent of the holder of each Bond so affected; or
- (c) A preference or priority of any Bond over any other Bond, without the consent of the holders of all Bonds then outstanding; or
- (d) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental resolution, without the consent of the holders of all Bonds then outstanding.

If the School Corporation shall desire to obtain any such consent, it shall cause the Registrar to mail a notice, postage prepaid, to the addresses appearing on the Registration Record. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that a copy thereof is on file at the office of the Registrar for inspection by all owners of the Bonds. The Registrar shall not, however, be subject to any liability to any owners of the Bonds by reason of its failure to mail such notice, and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as herein provided.

Whenever at any time within one year after the date of the mailing of such notice, the School Corporation shall receive any instrument or instruments purporting to be executed by the owners of the Bonds of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice, and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice as on file with the Registrar, thereupon, but not otherwise, the School Corporation may adopt such supplemental resolution in substantially such form, without liability or responsibility to any owners of the Bonds, whether or not such owners shall have consented thereto.

No owner of any Bond shall have any right to object to the adoption of such supplemental resolution or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the

School Corporation or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental resolution pursuant to the provisions of this section, this Resolution shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the School Corporation and all owners of Bonds then outstanding shall thereafter be determined, exercised and enforced in accordance with this Resolution, subject in all respects to such modifications and amendments.

Notwithstanding anything contained in the foregoing provisions of this Resolution, the rights, duties and obligations of the School Corporation and of the owners of the Bonds, and the terms and provisions of the Bonds and this Resolution, or any supplemental resolution, may be modified or amended in any respect with the consent of the School Corporation and the consent of the owners of all the Bonds then outstanding.

Without notice to or consent of the owners of the Bonds, the School Corporation may, from time to time and at any time, adopt such resolutions supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental resolutions shall thereafter form a part hereof),

- (a) to cure any ambiguity or formal defect or omission in this Resolution or in any supplemental resolution; or
- (b) to grant to or confer upon the owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the owners of the Bonds; or
- (c) to procure a rating on the Bonds from a nationally recognized securities rating agency designated in such supplemental resolution, if such supplemental resolution will not adversely affect the owners of the Bonds; or
- (d) to provide for the refunding or advance refunding of the Bonds; or
- (e) to make any other change which, in the determination of the Board in its sole discretion, is not to the prejudice of the owners of the Bonds.

If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

All resolutions, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed or amended.

This resolution shall be in full force and effect immediately upon its passage and signing by any officers of the Board.

BE IT FURTHER RESOLVED, that the form of the Third Supplement to the Master Continuing Disclosure Undertaking (the "Undertaking") is hereby approved and the officers are authorized and directed to execute such Undertaking and any and all documents necessary to issue

and deliver the Bonds including but not limited to a bond purchase agreement or bond placement agreement.

BE IT FURTHER RESOLVED, that the officers of the Board have full authority to execute any and all documents necessary to issue the Bonds.

Re: Lebanon Community School Corporation
General Obligation Bonds of 2018
Total Issue: \$5,000,000
Original Date: _____, 2018

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by Lebanon Community School Corporation, Lebanon, Indiana (the "School Corporation" or "Issuer"), of \$5,000,000 of its General Obligation Bonds of 2018 dated _____, 2018 (the "Bonds"). We have examined the law and the certified transcript of proceedings of the Issuer relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render this opinion. We have relied upon the certified transcript of proceedings and certificates of public officials, including the Issuer's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

We have not been engaged nor have we undertaken to review the accuracy, completeness or sufficiency of the Preliminary Official Statement dated September _____, 2018 or the Final Official Statement dated September _____, 2018 (collectively, the "Official Statement") or any other offering material relating to the Bonds, and we express no opinion relating thereto.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Bonds are valid and binding general obligations of the School Corporation.
2. All taxable property in the School Corporation is subject to ad valorem taxation to pay the debt service; however, the School Corporation's collection of the levy may be limited by operation of Indiana Code § 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits.

3. Under statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds from State income taxation.

4. Under federal statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is excludable from gross income of the owners for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and is not a specific preference item for purposes of the federal alternative minimum tax, although it is included in adjusted current earnings in calculating corporate alternative minimum taxable income for the taxable years that began prior to January 1, 2018. This opinion is conditioned upon compliance by the School Corporation subsequent to the date hereof with its Tax Representations. Failure to comply with the Tax Representations could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to their date of issue.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability thereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of law and equity; and (ii) the valid exercise of the constitutional powers of the State and the United States of America.

Very truly yours,

Section 3. Obligated Persons. The Obligor hereby represents and warrants as of the date hereof that the only Obligated Person with respect to the Obligations is the Obligor. If any such person is no longer committed by contract or other arrangement to support payment of the Obligations, such person shall no longer be considered an Obligated Person within the meaning of the SEC Rule and the continuing obligation under this Master Undertaking to provide annual financial information and notices of events shall terminate with respect to such person.

Section 4. Provision of Financial Information. (a) The Obligor hereby undertakes to provide, with respect to the Obligations, the following financial information, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) To the MSRB, the audited financial statements of the Obligor as prepared and examined by the Indiana State Board of Accounts on a biennial basis for each period of two fiscal years, together with the opinion of the reviewers thereof and all notes thereto (collectively, the "Audited Information"), by the June 30 immediately following each biennial period. If, however, the Obligor has not received the Audited Information by such June 30 biennial date, the Obligor agrees to (i) post a voluntary notice to the MSRB by June 30 of such biennial period that the Audited Information has not been received, and (ii) post the Audited Information within 60 days of the Obligor's receipt thereof; and
- (2) To the MSRB, no later than June 30 of each year beginning June 30, 2018, the most recent unaudited annual financial information for the Obligor including (i) unaudited financial statements of the Obligor, and (ii) operating data (excluding any demographic information or forecast) of the general type provided under the general categories of headings as described below (collectively, the "Annual Information"), which Annual Information may be provided in such format and under such headings as the School Corporation deems appropriate:

The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit C attached hereto.

Section 7. Use of Agent. The Obligor may, at its sole discretion, utilize an agent (the "Dissemination Agent") in connection with the dissemination of any information required to be provided by the Obligor pursuant to the SEC Rule and the terms of this Master Undertaking. If a Dissemination Agent is selected for these purposes, the Obligor shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to EMMA, and the MSRB.

Further, the Obligor may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Obligor in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all in order to further the purposes of this Master Undertaking.

Section 8. Failure to Disclose. If, for any reason, the Obligor fails to provide the Audited Information or Annual Information as required by this Master Undertaking, the Obligor shall provide notice of such failure in a timely manner to EMMA or to the MSRB, in the form of the notice attached as Exhibit D.

Section 9. Remedies. (a) The purpose of this Master Undertaking is to enable the Underwriters to purchase the Obligations by providing for an undertaking by the Obligor in satisfaction of the SEC Rule. This Master Undertaking is solely for the benefit of (i) the Underwriters, and (ii) the Holders, and creates no new contractual or other rights for, nor can it be relied upon by, the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other Obligated Persons or any other third party. The sole remedy against the Obligor for any failure to carry out any provision of this Master Undertaking shall be for specific performance of the Obligor's disclosure obligations hereunder and not for money damages of any kind or in any amount or for any other remedy. The Obligor's failure to honor its covenants hereunder shall not constitute a breach or default of the Obligations or any other agreement to which the Obligor is a party and shall not give rise to any other rights or remedies.

(b) Subject to paragraph (e) of this Section 9, in the event the Obligor fails to provide any information required of it by the terms of this Master Undertaking, any holder of Obligations may pursue the remedy set forth in the preceding paragraph in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such person is a holder of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue this remedy.

(c) Subject to paragraph (e) of this Section 9, any challenge to the adequacy of the information provided by the Obligor by the terms of this Master Undertaking may be pursued only by holders of not less than 25% in principal amount of Obligations then outstanding in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such persons are holders of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue the remedy set forth in the preceding paragraph.

(d) If specific performance is granted by any such court, the party seeking such remedy shall be entitled to payment of costs by the Obligor and to reimbursement by the Obligor of reasonable fees and expenses of attorneys incurred in the pursuit of such claim. If specific performance is not granted by any such court, the Obligor shall be entitled to payment of costs

by the party seeking such remedy and to reimbursement by such party of reasonable fees and expenses of attorneys incurred in the pursuit of such claim.

(e) Prior to pursuing any remedy for any breach of any obligation under this Master Undertaking, a holder of Obligations shall give notice to the Obligor and the respective issuer of each obligation, by registered or certified mail, of such breach and its intent to pursue such remedy. Thirty (30) days after the receipt of such notice, upon earlier response from the Obligor to this notice indicating continued noncompliance, such remedy may be pursued under this Master Undertaking if and to the extent the Obligor has failed to cure such breach.

Section 10. Additional Information. Nothing in this Master Undertaking shall be deemed to prevent the Obligor from disseminating any other information, using the means of dissemination set forth in this Master Undertaking or any other means of communication, or including any other information in any Annual Information or notice of occurrence of a reportable event, in addition to that which is required by this Master Undertaking.

Section 11. Modification of Master Undertaking. The Obligor may, from time to time, amend or modify this Master Undertaking without the consent of or notice to the holders of the Obligations if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law (including but not limited to a change in law which requires a change in the Obligor's policies or accounting practices) or change in the identity, nature or status of the Obligor, or type of business conducted, (ii) this Master Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendment or modification does not materially impair the interests of the holders of the Obligations, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Obligations pursuant to the terms of any Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds this Master Undertaking) is otherwise permitted by the SEC Rule, as then in effect.

Section 12. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Master Undertaking and the rights and obligations of the parties hereunder shall be governed by, and construed and enforced in accordance with, the law of the State of Indiana.

Section 13. Severability Clause. In case any provision in this Master Undertaking shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14. Successors and Assigns. All covenants and agreements in this Master Undertaking made by the Obligor shall bind its successors, whether so expressed or not.

APPENDIX E

APPENDIX E

This Appendix E assumes that: (a) the winning bidder (the "Purchaser") is purchasing the Bonds as an Underwriter (as hereinafter defined) and is not purchasing the Bonds with the intent to hold the Bonds for its own account; and (b) Lebanon Community School Corporation (the "Issuer") and the Purchaser shall agree to the process by which issue price will be established on the date of sale of the Bonds in the event that the Competitive Sale Requirements (as hereinafter defined) are not met. The Purchaser must agree to execute the applicable schedules depending on the sale results.

(a) By submitting a bid, the Purchaser agrees to assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at the Closing (as hereinafter defined) for the Bonds written evidence identifying the "Issue Price" as defined in the provisions of Treasury Regulation Section 1.148-1 ("Issue Price Rules") for the Bonds or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the Issuer and Bond Counsel. All actions to be taken by the Issuer to establish the Issue Price of the Bonds may be taken on behalf of the Issuer by the Issuer's municipal advisor identified in the Official Statement and any notice or report to be provided to the Issuer may be provided to the Issuer's municipal advisor.

(b) For purposes of this Appendix E, the Competitive Sale Requirements will be satisfied in accordance with the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (the "Competitive Sale Requirements") for purposes of establishing the Issue Price of the Bonds and will apply to the initial sale of the Bonds if the Issuer receive bids for the Bonds from at least three Underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds because:

- (1) the Issuer shall disseminate the Notice of Intent to Sell Bonds (the "Notice") to potential Underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid; and
- (3) the Issuer anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost) as set forth in the Notice (the requirements set forth in this paragraph (b), collectively, the "Competitive Sale Requirements").

Any bid submitted pursuant to the Notice shall be considered a firm offer for the purchase of the Bonds, as specified in the bid. If all of the Competitive Sale Requirements are satisfied, the Purchaser shall execute Schedule I if the Purchaser is purchasing the Bonds as an Underwriter.

(c) In the event that the Competitive Sale Requirements are not satisfied, the Issuer shall so advise the Purchaser and the Issuer and the Purchaser (the "Parties") agree to execute an agreement which will establish which method to determine Issue Price will be employed, a form of which is attached as Schedule II. The methods are as follows:

(1) General Rule

Issue Price will be established by the first price at which 10% of a maturity of the Bonds is sold to the Public (as hereinafter defined) (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity) (the "10% test").

Until the 10% test has been satisfied as to each maturity of the Bonds, the Purchaser agrees to promptly report to the Issuer the prices at which the unsold Bonds of that maturity have been sold to the Public. That reporting obligation shall continue, whether or not the Closing Date (as hereinafter defined) has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold;

- OR -

(2) Hold the Price

Issue Price shall be established by applying the Hold the Price Rule (as defined below), which will allow the Issuer to treat the Initial Offering Price (as defined below) to the Public of each such maturity as of the Sale Date as the Issue Price of that maturity, provided the Purchaser agrees that it will neither offer nor sell these maturities to any person at a price that is higher than the Initial Offering Price to the Public during the period starting on the Sale Date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the Sale Date; or

(2) the date on which the Purchaser has sold at least 10% of that maturity of the Bonds to the Public at a price that is no higher than the Initial Offering Price to the Public.

(the "Hold the Price Rule"). The Purchaser shall promptly advise the Issuer when it has sold 10% of a maturity to the Public at a price that is no higher than the Initial Offering Price to the Public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

(d) The Purchaser will be required to execute a certificate in the form of Schedule III if the Competitive Sale Requirements are not satisfied indicating that all of the requirements set forth in such certificate have been satisfied such as a certification to that the Purchaser has offered or will offer the Bonds to the Public on or before the date of the award at the Initial Offering Price set forth in the bid submitted by the Purchaser. The Purchaser will also be required to provide a copy of the pricing wire or equivalent communication.

(e) By submitting a bid, each bidder acting as an Underwriter confirms that: (i) any agreement among Underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the

Public the unsold Bonds of each maturity allotted to it until it is notified by the Purchaser that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold, if and for so long as directed by the Purchaser and as set forth in the related pricing wires, and (ii) any agreement among Underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the Purchaser or such Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold, if and for so long as directed by the Purchaser or such Underwriter and as set forth in the related pricing wires.

(f) Sales of any Bonds to any person that is a related party to an Underwriter shall not constitute sales to the Public for purposes of this Appendix E. Further, for purposes of this Appendix:

- (i) "Public" means any person other than an Underwriter or a related party,
- (ii) "Underwriter" means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public),
- (iii) a purchaser of any of the Bonds is a "related party" to an Underwriter if the Underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other),
- (iv) "Sale Date" means the date that the Bonds are awarded by the Issuer to the winning bidder,
- (v) "Closing" and "Closing Date" mean the day the Bonds are delivered to the Purchaser and payment is made thereon to the Issuer, and

- (vi) "Initial Offering Prices" means the respective initial offering prices of the Bonds offered by the Purchaser to the Public on or before the Sale Date as set forth in the pricing wire or equivalent communication for the Bonds provided to the Issuer by the Purchaser.

AGREEMENT TO ESTABLISH ISSUE PRICE

The Lebanon Community School Corporation (the "Issuer") offered its General Obligation Bonds of 2018 (the Bonds") through a competitive offering in compliance with state law. For federal tax law purposes, Issue Price as defined in Treasury Regulations Section 1.148-1(f) (the "Issue Price Regulations") must be established by one of the methods set forth in Issue Price Regulations. One of the methods to establish Issue Price is to offer the Bonds to achieve a Competitive Sale as defined by the Issue Price Regulations by meeting specific requirements under the Issue Price Regulation. Although the Issuer achieved a competitive sale to comply with state law, one or more of the requirements for a Competitive Sale, for federal tax law purposes, was not achieved. The Issue Price Regulations provide if more than one rule for determining the Issue Price of the Bonds is available, the Issuer may select the rule it will use to determine the Issue Price of the Bonds.

On the date hereof, the Purchaser represents that the first price at which at least 10% of each maturity of the Bonds listed on Exhibit I was sold to the Public (as defined in Schedule A) is the respective price listed on Exhibit I. For the remaining maturities of the Bonds (the "Unsold Maturities") the Issuer has determined and the Purchaser agrees that Issue Price will be established as set forth in Schedule A as attached.

This Agreement may be signed in counterparts.

_____ (2) "Hold the Price Rule" set forth below in (2).

SELECTION OF METHOD OF ISSUE PRICE ESTABLISHMENT

The methods are as follows:

Until the 10% test has been satisfied as to each maturity of the Bonds, the Purchaser agrees to promptly report to the Issuer the prices at which the unsold Bonds of that maturity have been sold to the Public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold.

- OR -

(2) Hold the Price

Issue Price shall be established by applying the Hold the Price Rule (as defined below), which will allow the Issuer to treat the Initial Offering Price to the Public of each such maturity of the Bonds as of the Sale Date as the issue price of that maturity, provided the Purchaser agrees that it will neither offer nor sell these maturities to any person at a price that is higher than the Initial Offering Price to the Public during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the Sale Date; or
