All proposals must be submitted electronically through PARITY® as further described herein. No oral or auction bids will be considered. All bids will be read and evaluated at that time and place, and the award of the Bonds will be acted upon by the City Council.

Pre-Bid Revisions. The City reserves the right to issue a Supplemental Notice of Sale not later than 24 hours prior to the sale date through MuniHub (“Supplemental Notice”). If issued, the Supplemental Notice may modify such terms of this Notice of Sale as the City determines, including the date and time of the sale. Any such modifications will supersede the terms as set forth herein.

Adjustment of Issue Size. In order to properly structure the transaction and generate sufficient funds for the refunding of the Refunded Bonds (defined below), the City reserves the right, on the date of the award of the Bonds to the (the “Purchaser”), in the City’s sole discretion, to increase or decrease the principal amount of any maturity by not more than 20% of the principal amount of such maturity or \$150,000, whichever is greater, or to increase or decrease the aggregate principal amount of the Bonds by not more than 15%, depending on the interest rates bid and the bid premium, if any. After bids are received and the Purchaser is determined, the requirements for the transaction will be recalculated. Once the transaction requirements have been satisfied, the final sizing will be confirmed to the Purchaser. The Purchaser may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount as described herein. In the event there is an increase or decrease in the final principal amount per maturity as described above, or in the aggregate principal amount of the Bonds, the Purchaser will be notified on the sale date by telephone or electronic mail of such increases or decreases promptly after the sale and prior to the award of the bid by the City. In the event that the maturity amounts of the Bonds are adjusted, the purchase price will be adjusted to ensure that the percentage net compensation (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the Bonds to the public and the price to be paid to the City by (ii) the principal amount of the Bonds) remains constant.

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 2020.

Authority, Purpose and Security. The Bonds are special obligations bonds of the City, being issued pursuant to the constitution and laws of the State of Missouri. The Bonds shall be special obligations of the City payable as to both principal and interest solely from annual appropriations of funds by the City and by amounts on deposit in a debt service reserve fund for the Bonds. The obligation of the City to make payments on the Bonds, to replenish the debt service reserve fund and for any other obligations of the City under the Ordinance authorizing the Bonds (the “Ordinance”) do not constitute a general obligation or indebtedness of the City for which the City is obligated to levy or pledge any form of taxation, or for which the City has levied or pledged any form of taxation and shall not be construed to be a debt of the City in contravention of any applicable constitutional, statutory or charter debt limitation or restriction but in each fiscal year shall be payable solely from the amounts pledged or appropriated therefor (i) out of the income and revenues provided for such year, plus (ii) any unencumbered balances for previous years. The Bonds are being issued for the purposes of providing funds to refund the Hubach Hill Road and North Cass Parkway Transportation Development District (Raymore, Missouri, Hubach Hill Road and North Cass Parkway Project), Revenue Bonds, Series 2009 (the “Refunded Bonds”).

The Bonds are more particularly described in the Preliminary Official Statement dated the date hereof, available from the City’s municipal advisor, Piper Jaffray & Co. (the “Municipal Advisor”). This

* Preliminary, subject to change.

Notice of Sale contains certain information for quick reference only. It is not, and is not intended to be, a summary of the Bonds. Each bidder is required to read the entire Preliminary Official Statement to obtain information essential to making an informed investment decision.

Place of Payment. Principal will be payable upon presentation and surrender of the Bonds by the registered owners thereof at the payment office of the Paying Agent. Interest Components shall be paid to the registered owners of the Bonds as shown on the register at the close of business on the record date for such interest (a) by check or draft mailed by the Paying Agent to the address of such registered owners shown on the bond register, (b) at such other address as is furnished to the Paying Agent in writing by any registered owner or (c) in the case of an interest payment to any registered owner of \$500,000 or more in aggregate principal amount of the Bonds, by electronic transfer to such registered owner upon written notice given to the Paying Agent by such registered owner, not less than 5 days prior to the record date for such interest, containing the electronic transfer instructions including the name and address of the bank (which shall be in the continental United States), ABA routing number, account name and account number to which such registered owner wishes to have such transfer directed.

Book-Entry Only System and Blue Sky. The Bonds will initially be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York, to which payments of principal of and interest on the Bonds will be made. Individual purchases of Bonds will be made in book-entry form only. Purchasers will not receive bonds representing their interest in Bonds purchased. It shall be the obligation of the Purchaser to furnish to DTC an underwriter's questionnaire. It shall be the obligation of the Purchaser to qualify the Bonds, if such qualification is necessary, in the jurisdictions in which it intends to reoffer the Bonds.

Prepayment of Bonds Prior to Maturity. *Optional Redemption.* At the option of the City, the Bonds may be called for redemption and payment prior to maturity on September 1, 2026 and thereafter, in whole or in part at any time at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the redemption date.

Bonds shall be prepaid only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed from the Stated Maturities selected by the City, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$5,000 units of principal amount by lot or in such other equitable manner as the Paying Agent may determine.

Election to Specify Term Bonds. A bidder may elect to have all or a portion of the Bonds scheduled to mature consecutively issued as one or more term bonds scheduled to mature in the latest of said consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth above, and subject to the bidder making such an election by including such information in the electronic bid submitted via PARITY®. Not less than all the Bonds of a single maturity may be converted to term bonds.

Conditions of Bids. Proposals will be received on all of the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all Bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/100 of 1%, with no zero coupons allowed. The interest rate on each maturity shall not exceed 4.00%. No supplemental interest payments will be authorized. The Bonds shall be sold by the City for a price not less than 98% nor greater than 108% of the total principal amount thereof. Each bid shall specify the total interest cost during the life of the Bonds on the basis of such bid, the premium or discount, if any, offered by the bidder, and the net interest cost and the true interest cost on the basis of such bid. Each bidder agrees that, if it is awarded the Bonds, it will provide to the City the certification as to initial offering prices described under the caption "Certification as to Offering Prices" in this Notice of Sale.

Basis of Award. The Bonds will be awarded to the bidder whose bid will result in the lowest “true interest cost” (“TIC”), determined as follows: the TIC is the discount rate (expressed as a per-annum percentage rate) that, when used in computing the present value of all payments of principal and interest to be paid on the Bonds, from the scheduled payment dates back to the dated date of the Bonds, produces an amount equal to the price bid, including premium or discount, if any, but excluding any interest accrued to the date of delivery. Payments of principal and interest on the Bonds shall be based on the principal amounts set forth in this Notice of Sale and the interest rates specified by each bidder. Present value shall be computed on the basis of semiannual compounding and a 360-day year of twelve 30-day months. No bidder shall be awarded the Bonds unless its bid shall be in compliance with the other terms and conditions of this Notice of Sale. In the event that two or more bidders offer bids at the same lowest TIC, the City shall determine which bid, if any, shall be accepted, and its determination shall be final. In the event the TIC specified in the bid does not correspond to the interest rates specified, the interest rates specified will govern and the TIC will be adjusted accordingly. The City reserves the right to waive irregularities and to reject any or all bids.

Certification as to Offering Prices. The Purchaser shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an “issue price” or similar certificate (the “Issue Price Certificate”) setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit A**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City’s Municipal Advisor identified herein and any notice or report to be provided to the City may be provided to the City’s Municipal Advisor.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest true interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the competitive sale requirements are not satisfied, the City shall so advise the Purchaser. The City shall treat the first price at which 10% of a maturity of the Bonds (the “10% Test”) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. The Purchaser shall advise the City if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The City will not require bidders to comply with the “Hold-The-Offering-Price Rule” and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of

the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% Test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% Test has been satisfied as to each maturity of the Bonds, the Purchaser agrees to promptly report to the City the prices at which the unsold Bonds of that maturity have been sold to the public. At or promptly after the award of the Bonds, the Purchaser shall report to the City the price at which it has sold to the public the Bonds of each maturity sufficient to satisfy the 10% Test. If as of the award of the Bonds the 10% Test has not been satisfied as to any maturity of the Bonds, the Purchaser agrees to promptly report to the City the prices at which it subsequently sells Bonds of that maturity to the public until the 10% Test is satisfied. In either case, if Bonds constituting the first 10% of a certain maturity are sold at different prices, the Purchaser shall report to the City the prices at which Bonds of such maturity are sold until the Purchaser sells 10% of the Bonds of such maturity at a single price. The Purchaser's reporting obligation shall continue as set forth above, whether or not the Closing Date has occurred.

Alternatively, the Purchaser may elect to comply with the "Hold-The-Offering-Price Rule" for the remaining maturities, and, if they chose to do so, the Purchaser shall notify the City which maturities will be subject to the "Hold-The-Offering-Price Rule." Bids will not be subject to cancellation in the event that the Purchaser determines to apply the Hold-The-Offering-Price Rule to any maturity of the Bonds. By submitting a bid, the Purchaser shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the Purchaser and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the Hold-The-Offering-Price Rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

the close of the fifth (5th) business day after the sale date; or

the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Purchaser shall promptly advise the City when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date. The City acknowledges that, in making the representation set forth above, the Purchaser will rely on (i) the agreement of each underwriter to comply with the Hold-The-Offering-Price Rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the Hold-The-Offering-Price Rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the Hold-The-Offering-Price Rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the Hold-The-Offering-Price Rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the Hold-The-Offering-Price Rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) it has an established industry reputation for underwriting new issuances of municipal bonds, (ii) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Purchaser that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the Hold-The-Offering-Price Rule, if applicable, in each case if and for so long as directed by the Purchaser and as set forth in the related pricing wires, and (iii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Purchaser or such underwriter that either the 10% Test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the Hold-The-Offering Price Rule, if applicable, in each case if and for so long as directed by the Purchaser or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (1) “public” means any person other than an underwriter or a related party,
- (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) “sale date” means the date that the Bonds are awarded by the City to the Purchaser.

Prior to the delivery of the Bonds, the Purchaser will be required to execute and enter into with the City, a certificate of final terms setting out the final terms of the Bonds, including the principal amounts, interest rates and pricing per maturity and the redemption provisions.

At the request of the City, the Purchaser will provide information explaining the factual basis for the Purchaser's Issue Price Certificate. This agreement by the Purchaser to provide such information will continue to apply after the issue date of the Bonds if (1) the City requests the information in connection with an audit or inquiry by the Internal Revenue Service or the Securities and Exchange Commission or (2) the information is required to be retained by the City pursuant to future regulation or similar guidance from the Internal Revenue Service, the Securities and Exchange Commission or other federal or state regulatory authority.

Legal Opinion. The Bonds will be sold subject to the approving legal opinion of Gilmore & Bell, P.C., Bond Counsel, which opinion will be furnished and paid for by the City and printed on the Bonds and delivered to the Purchaser when the Bonds are delivered. Said opinions will also include the opinion of Bond Counsel relating to the exclusion of the interest on the Bonds from gross income for federal and Missouri income tax purposes. Reference is made to the Preliminary Official Statement for further discussion of federal and Missouri income tax matters relating to the interest on the Bonds.

Delivery and Payment. The City will deliver the Bonds, properly prepared, executed and registered, without cost to the Purchaser on or about November 7, 2019 in book-entry form only through the facilities of The Depository Trust Company in New York, New York. The Purchaser will also be furnished with a certified transcript of the proceedings evidencing the authorization and delivery of the Bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity and a certificate regarding the completeness and accuracy of the Official Statement. Payment for the Bonds shall be made in federal reserve funds, immediately available for use by the City.

Good Faith Deposit. The Purchaser (the "Purchaser") is required to submit a good faith deposit in the amount of \$100,000 (the "Deposit") to the City in the form of an electronic transfer of federal reserve funds, immediately available for use by the City, as instructed by the City or its Municipal Advisor, no later than 2:00 P.M., Central Time, on the day the proposals are received. If the Deposit is not received by such time, the City may terminate its proposed award of the Bonds to such Purchaser, and the City may contact the bidder with the next lowest TIC and offer said bidder the opportunity to become the Purchaser. The Deposit of the Purchaser shall constitute a good faith deposit and shall be retained by the City to insure performance of the requirements of the sale by the Purchaser. In the event the Purchaser shall fail to comply with the terms of its bid, the Deposit will be forfeited as full and complete liquidated damages. Upon delivery of the Bonds, the Deposit will be applied to the purchase price of the Bonds or shall be returned to the Purchaser, but no interest shall be allowed thereon. If a bid is accepted but the City fails to deliver the Bonds to the bidder in accordance with the terms and conditions of this Notice of Sale, the Deposit shall be returned to the Purchaser.

Rating. Moody's Investors Service, Inc. is expected to give the Bonds a rating of "Aa3," which reflects its evaluation of the investment quality of the Bonds. Any explanation as to the significance of the rating may be obtained only from the rating agency. The rating is not a recommendation to buy, sell, or hold the Bonds, and such rating may be subject to revision or withdrawal at any time by the rating agency. Any downward revision or withdrawal of the rating may adversely affect the market price of the Bonds.

Submission of Bids. Electronic bids via PARITY® must be submitted in accordance with this Notice of Sale. During the electronic bidding, no bidder will see any other bidder's bid or the status of their bid relative to other bids (i.e., whether their bid is a leading bid). Bidders may modify or cancel their bid at any time up to the end of the bidding. If provisions of this Notice of Sale conflict with those of PARITY®, this Notice of Sale shall control.
