Please consult the public notice for said meeting for details regarding public access. If the Governor’s proclamation is lifted or expires or if the Governor terminates the partial suspension of the Texas Government Code, Section 551.125, a meeting in a physical location may become necessary. The initial Paying Agent/Registrar is The Bank of New York Mellon Trust Co., N.A., in Dallas, Texas. See the PRELIMINARY OFFICIAL STATEMENT for a more complete description of the Series 2020A Park Bonds. Book-Entry-Only: The Series 2020A Park Bonds will be registered and delivered only in the name of Cede & Co., as nominee for the Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Series 2020A Park Bonds. Beneficial Owners of the Series 2020A Park Bonds will not receive physical certificates representing the Series 2020A Park Bonds but will receive a credit balance on the books of the nominees of such Beneficial Owners. So long as Cede & Co. is the registered owner of the Series 2020A Park Bonds, the principal of and interest on the Series 2020A Park Bonds will be paid by the paying agent/registrar, initially The Bank of New York Mellon Trust Co., N.A. in Dallas, Texas (the “Paying Agent/Registrar”), directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the Beneficial Owners of the Series 2020A Park Bonds as described in the Preliminary Official Statement. See “BOOK-ENTRY-ONLY SYSTEM” in the Preliminary Official Statement.

Redemption Provisions: The Series 2020A Park Bonds maturing on or after April 1, 2026 are subject to redemption prior to maturity, at the option of the District, as a whole or in part, on April 1, 2025, or on any date thereafter at a price of par plus accrued interest to the date fixed for redemption. If less than all of the Series 2020A Park Bonds are redeemed, the particular maturity or maturities and amounts to be redeemed shall be determined by the District. If fewer than all of the Series 2020A Park Bonds of the same maturity are redeemed, the particular Series 2020A Park Bonds to be redeemed shall be selected by DTC in accordance with its procedures.

Mandatory Sinking Fund Redemption: If the successful bidder designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on April 1 of the first year which has been combined to form such term bond and continuing on April 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth above under the caption “THE BONDS—Description of the Bonds.” Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of term bonds to be mandatorily redeemed is subject to proportionate reduction by the amount of any prior optional redemption

Source of Payment: The Series 2020A Park Bonds will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied upon all taxable property located within the District, as further described in the Preliminary Official Statement. The Series 2020A Park Bonds are obligations solely of the District, and are not obligations of Montgomery County, the City of Houston, the State of Texas, or any entity other than the District.

CONDITIONS OF THE SALE

Types of Bids and Interest Rates: The Series 2020A Park Bonds will be sold in one block, all or none, and no bid of less than 97% of the principal amount thereof plus accrued interest to the date of delivery will be considered and no bid of more than par plus accrued interest to the date of delivery will be considered. Bidders are to name the rate or rates of interest to be borne by the Series 2020A Park Bonds, provided that each interest rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1%. No bid which results in a net effective interest rate as defined by Chapter 1204, Texas Government Code, as amended, in excess of 4.21% will be considered. Subject to the conditions below, no limitation will be imposed upon bidders as to the number of interest rates which may be used, each rate of interest for the period 2026 (base year) through 2044, cannot be less than the rate of interest specified for any earlier maturity during the period 2026 through 2044, and the highest interest rate bid may not exceed the lowest interest rate bid by more than two and one-half percent (2.50%) in rate. No bid that generates a cash premium greater than \$5,000 will be considered. All Bonds maturing within a single year must bear the same rate of interest, and no bids for the Series 2020A Park Bonds involving supplemental interest rates will be considered. Each bidder shall state in its bid the total and net interest cost in dollars and the net effective interest rate determined thereby, which shall be considered informative only and not as a part of the bid.

Basis of Award: For the purpose of awarding the sale of the Series 2020A Park Bonds, the interest cost of each bid will be computed by determining, at the interest rate or rates specified therein, the total dollar value of all interest on the Series 2020A Park Bonds from the date thereof to their respective maturities and adding thereto the dollar amount of the discount bid, if any, or subtracting therefrom the dollar amount of the premium bid, if any. Subject to the District’s right to reject any or all bids, the Series 2020A Park Bonds will be awarded to the bidder whose bid, under the above computation, produces the lowest net interest cost to the District.

Provision of Texas Ethics Commission Form 1295 (“TEC Form 1295”) by Bidders: Pursuant to Texas Government Code §2252.908 (the “Interested Party Disclosure Act” or the “Act”), the District may not award the Series 2020A Park Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, have provided to the District (c/o Masterson Advisors, LLC, 3 Greenway Plaza, Suite 1100, Houston, Texas 77046; Attn: Anthea Moran, anthea.moran@mastersonadvisors.com) a completed and signed TEC Form 1295 which has been assigned a certificate number by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website, assigned a certificate number, printed, signed, and provided to the District. The TEC Form 1295 may accompany the Official Bid Form or may be submitted separately but must be provided to the District prior to the time prescribed for the award of the Series 2020A Park Bonds. The TEC Form 1295 may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 complete with certificate number must be physically delivered to the District (c/o Schwartz, Page & Harding L.L.P., 1300 Post Oak Boulevard, Suite 1400, Houston, Texas 77056) within two business days of the award. Following the award of the Series 2020A Park Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein or to waive any such requirements. For purposes of completing the TEC Form 1295, the entity’s name is Montgomery County Municipal Utility District No. 119, and the contract ID number is MCMUD119-S2020APK-B. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Series 2020A Park Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that its bid is the apparent winning bid.

Good Faith Deposit: Each bid must be accompanied by a bank cashier's check payable to the order of "Montgomery County Municipal Utility District No. 119" in the amount of \$147,200, which represents two percent (2%) of the principal amount of the Series 2020A Park Bonds. **Only bank cashier checks will be accepted; no "Official Bank Checks" will be accepted.** The check will be considered as a Good Faith Deposit, and the check of the successful bidder will be retained uncashed by the District until the Series 2020A Park Bonds are delivered. In the event the Series 2020A Park Bond Underwriter should fail or refuse to accept delivery of and pay for the Series 2020A Park Bonds in accordance with its bid, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Series 2020A Park Bond Underwriter. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately. If submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. Upon payment for and delivery of the Series 2020A Park Bonds, the Good Faith Deposit will be returned uncashed. No interest will be paid on the Good Faith Deposit. The checks accompanying bids other than the winning bid will be returned immediately after the bids are opened and an award of the Series 2020A Park Bonds has been made.

Compliance with Laws Prohibiting Contracts with Companies that Boycott Israel and Certain Companies Engaged in Business with Iran, Sudan or Foreign Terrorist Organizations: The District will not award the Series 2020A Park Bonds to a bidder unless the bidder verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the bid for the Series 2020A Park Bonds represents a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, solely for purposes of Chapter 2271 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of this bid and through the end of the underwriting period as defined by United States Securities and Exchange Commission Rule 15c2-12, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, boycotts or will boycott Israel. The terms "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended. Additionally, the District will not award the Series 2020A Park Bonds to a bidder unless the bidder certifies that, to the extent the bid for the Series 2020A Park Bonds represents a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, at the time of execution and delivery of this bid, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, is a company listed by the Texas Comptroller of Public Accounts under Sections 2270.0201 or 2252.153 of the Texas Government Code.

Compliance with the Texas Public Information Act: The District will not award the Series 2020A Park Bonds to a bidder unless the bidder agrees to maintain all records in accordance with the requirements of the Texas Public Information Act, including Subchapter J thereof relating to contracting information as defined therein, and the District's rules, regulations, policies, and retention schedules adopted thereunder with respect to any records to which said Act applies.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

Delivery: The Series 2020A Park Bonds will initially be delivered in printed or typewritten form as one Bond for each maturity ("Initial Bonds"). Delivery will be at the principal corporate trust office of The Bank of New York Mellon Trust Company, N.A. in Houston, Texas (the "Paying Agent/Registrar") for re-delivery to DTC. Payment for the Series 2020A Park Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Series 2020A Park Bond Underwriter will be given three (3) business days' notice of the time fixed for delivery of the Series 2020A Park Bonds. It is anticipated that initial delivery can be made on or about September 2, 2020, and it is understood and agreed that the Series 2020A Park Bond Underwriter will accept delivery of and make payment for the Series 2020A Park Bonds by 10:00 A.M., Houston, Texas time on September 2, 2020, or thereafter on the date the Series 2020A Park Bonds are tendered for delivery, up to and including October 6, 2020. If for any reason the District is unable to make delivery on or before October 6, 2020, then the District shall immediately contact the Series 2020A Park Bond Underwriter and offer to allow the Series 2020A Park Bond Underwriter to extend its offer for an additional thirty (30) days. If the Series 2020A Park Bond Underwriter does not elect to extend its offer within three (3) business days' thereafter, then its Good Faith Deposit will be returned, and both the District and the Series 2020A Park Bond Underwriter shall be relieved of any further obligation.

DTC Definitive Bonds: After delivery, the Series 2020A Park Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners of the Series 2020A Park Bonds shall mean Cede & Co. and not the Beneficial Owners of the Series 2020A Park Bonds. Purchase of beneficial interests in the Series 2020A Park Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Series 2020A Park Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Series 2020A Park Bonds of like principal amount for the Series 2020A Park Bonds. See "BOOK-ENTRY-ONLY SYSTEM" in the Preliminary Official Statement.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the initial Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Series 2020A Park Bond Underwriter to accept delivery of and pay for the Series 2020A Park Bonds in accordance with the terms of this OFFICIAL NOTICE OF SALE. CUSIP identification numbers will be made available to the Series 2020A Park Bond Underwriter at the time the Series 2020A Park Bonds are awarded or as soon thereafter as practicable. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid by the Series 2020A Park Bond Underwriter.

Conditions to Delivery: The obligation to take up and pay for the Series 2020A Park Bonds is subject to the following conditions: the issuance of the approving opinion of the Attorney General of Texas, the Series 2020A Park Bond Underwriter's receipt of the Initial Bonds, the Series 2020A Park Bond Underwriter's receipt of the legal opinion of Bond Counsel and the no-litigation certificate, all as described below, and no material adverse change in the condition of the District.

Legal Opinions: The District will furnish to the Series 2020A Park Bond Underwriter a transcript of certain certified proceedings incident to the issuance and authorization of the Series 2020A Park Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Series 2020A Park Bonds, and that based upon such examination, the Series 2020A Park Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the approving legal opinion of Schwartz, Page & Harding, L.L.P., Bond Counsel, Houston, Texas, to the effect that, based upon an examination of such transcript, the Series 2020A Park Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the Registered Owners of the Series 2020A Park Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal opinion of Bond Counsel will further state that the Series 2020A Park Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that the interest on the Series 2020A Park Bonds is excludable from gross income for federal income tax purposes under statutes, regulations, published rulings and court decisions existing on the date of such opinion assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Series 2020A Park Bonds. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Series 2020A Park Bonds.

Not Qualified Tax-Exempt Obligations: Section 265 of the Internal Revenue Code of 1986, as amended (the "Code"), provides, in general, that interest expense incurred to acquire or carry tax-exempt obligations is not deductible from the gross income of the owner of the Series 2020A Park Bonds. For certain owners that are "financial institutions" within the meaning of such section, complete disallowance of such expense would apply to taxable years beginning after December 31, 1986, with respect to tax-exempt obligations acquired after August 7, 1986. Section 265(b) of the Code provides an exception to this rule for interest expense incurred by financial institutions to carry tax-exempt obligations (other than specified private activity bonds) which are designated by an issuer as "qualified tax-exempt obligations." An issuer may only designate an issue as an issue of "qualified tax-exempt obligations" where less than \$10 million of tax-exempt obligations are issued by the issuer during the calendar year in which the issue so designated is issued.

The District has **not** designated the Series 2020A Park Bonds as "qualified tax-exempt obligations" as it reasonably anticipates that it will issue more than \$10,000,000 in tax-exempt obligations in 2020.

Establishing the Issue Price of the Bonds: In order to provide the District with information that enables it to comply with certain conditions of the Code, relating to the exclusion of interest on the Series 2020A Park Bonds from the gross income of their owners, the winning bidder will be required to complete, execute, and deliver to the District or to the District's municipal advisor, Masterson Advisors, LLC (the "Financial Advisor"), at least five (5) business days prior to the date of delivery of the Series 2020A Park Bonds, a certification as to the "issue price" of the Series 2020A Park Bonds (the "Issue Price Certificate"), substantially in the form attached hereto or accompanying this Notice of Sale. In the event the winning bidder will not reoffer any maturity of the Series 2020A Park Bonds for sale to the Public (as defined herein) by the delivery date of the Series 2020A Park Bonds, the Issue Price Certificate may be modified in a manner approved by the District and Bond Counsel. Each bidder, by submitting its bid, agrees to complete, execute, and timely deliver the Issue Price Certificate, if its bid is accepted by the District. It will be the responsibility of the winning bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

For purposes of this section of this Notice of Sale:

- (i) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party;

- (ii) “Underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2020A Park Bonds to the Public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2020A Park Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public);
- (iii) “Related Party” means any two or more persons (including an individual, trust, estate, partnership, association, company, or corporation) that are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and
- (iv) “Sale Date” means the date that the Series 2020A Park Bonds are awarded by the District to the winning bidder.

All actions to be taken by the District under this Notice of Sale to establish the issue price of the Series 2020A Park Bonds may be taken on behalf of the District by the Financial Advisor, and any notice or report to be provided to the District may be provided to the Financial Advisor.

The District will consider any bid submitted pursuant to this Notice of Sale to be a firm offer for the purchase of the Series 2020A Park Bonds, as specified in the bid and, if so stated, in the Official Bid Form.

The District intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of municipal bonds), which require, among other things, that the District receives bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Requirement”).

In the event that the Competitive Sale Requirement is satisfied, the sale of the Series 2020A Park Bonds will be awarded to the bidder making a bid that conforms to the specifications herein. In the event that the Competitive Sale Requirement is not satisfied, bids **will not be subject to cancellation and the winning bidder will be required to hold the initial offering price to the Public of each maturity of the Series 2020A Park Bonds, other than a maturity 10% of which has been sold to the Public on the Sale Date (“Hold-the-Price Bonds”), as described in the next paragraph.**

By submitting a bid, the winning bidder agrees, on behalf of each Underwriter participating in the purchase of the Series 2020A Park Bonds, that each Underwriter will neither offer nor sell any maturity of the Hold-the-Price Bonds to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the Sale Date; or
- (ii) the date on which the Underwriters have sold at least 10% of that maturity of the Series 2020A Park Bonds to the Public at a price that is no higher than the initial offering price to the Public.

The winning bidder shall promptly advise the District when the Underwriters have sold 10% of a maturity of the Hold-the-Price Bonds to the Public at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

No Material Adverse Change: The obligation of the Series 2020A Park Bond Underwriter to take up and pay for the Initial Bonds, and of the District to deliver the Initial Bonds, is subject to the condition that, up to the time of delivery of and receipt of payment for the Initial Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of sale.

No-Litigation Certificate: On the date of delivery of the Series 2020A Park Bonds to the Series 2020A Park Bond Underwriter, the District will execute and deliver to the Series 2020A Park Bond Underwriter, a certificate to the effect that no litigation of any nature has been filed or is pending, as of that date, of which the District has notice, to restrain or enjoin the issuance or delivery of the Series 2020A Park Bonds, or which would affect the provisions made for their payment or security, or in any manner question the validity of the Series 2020A Park Bonds.

Rule G-32 Requirements: It is the responsibility of the Series 2020A Park Bond Underwriter to comply with the Municipal Securities Rule Making Board’s Rule G-32 within the required time frame. The Series 2020A Park Bond Underwriter must send two copies of the Official Statement along with two complete Form G-32’s to the appropriate address.

OFFICIAL STATEMENT

To assist the Series 2020A Park Bond Underwriter in complying with Rule 15c2-12 of the United States Securities and Exchange Commission (“SEC”), the District and the Series 2020A Park Bond Underwriter agree, by the submission and acceptance of the winning bid, as follows.

Final Official Statement: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Series 2020A Park Bonds but does not intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Series 2020A Park Bond Underwriter and other similar information, terms and provisions to be specified in the competitive bidding process. The Series 2020A Park Bond Underwriter shall be responsible for promptly informing the District of the initial offering yields of the Series 2020A Park Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Series 2020A Park Bond Underwriter and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Series 2020A Park Bond Underwriter on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “PREPARATION OF OFFICIAL STATEMENT—Certification of Official Statement.”

Changes to Official Statement: If subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Series 2020A Park Bond Underwriter, of any adverse event which causes the Official Statement to be materially misleading, and unless the Series 2020A Park Bond Underwriter elects to terminate its obligation to purchase the Series 2020A Park Bonds, as described above under “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS—Conditions to Delivery,” the District will promptly prepare and supply to the Series 2020A Park Bond Underwriter an appropriate amendment or supplement to the Official Statement satisfactory to the Series 2020A Park Bond Underwriter provided, however, that the obligation of the District to so amend or supplement the Official Statement will terminate when the District delivers the Series 2020A Park Bonds to the Series 2020A Park Bond Underwriter, unless the Series 2020A Park Bond Underwriter notifies the District on or before such date that less than all of the Series 2020A Park Bonds have been sold to ultimate customers in which case the District’s obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Series 2020A Park Bonds have been sold to ultimate customers.

Delivery of Official Statements: The District shall furnish final Official Statements to the Series 2020A Park Bond Underwriter (and to each participating Underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Underwriter) within seven (7) business days after the sale date. The District also shall furnish to the Series 2020A Park Bond Underwriter a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Series 2020A Park Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Series 2020A Park Bond Underwriter may reasonably request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Series 2020A Park Bond Underwriter shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

Continuing Disclosure of Information: The District will agree in the Bond Order to provide certain periodic information and notices of certain material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under “Continuing Disclosure of Information.” The Series 2020A Park Bond Underwriter’s obligation to accept and pay for the Series 2020A Park Bonds is conditioned upon delivery to the Series 2020A Park Bond Underwriter or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

Substantive Requirements for Official Statement: To the best knowledge and belief of the District, the Preliminary Official Statement contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Series 2020A Park Bonds. The District has complied in all material respects with all continuing disclosure agreements made by the District in accordance with SEC Rule 15c2-12(b)(5)(i).

GENERAL CONSIDERATIONS

Investment Considerations: The Series 2020A Park Bonds involve certain investment considerations. Prospective bidders are urged to examine carefully the entire PRELIMINARY OFFICIAL STATEMENT, with respect to the investment considerations associated with the Series 2020A Park Bonds. Particular attention should be given to the information set forth therein under the caption “INVESTMENT CONSIDERATIONS.”

Municipal Bond Insurance and Municipal Bond Rating: Application was made to Moody’s Investors Service (“Moody’s”), for a municipal bond rating, and Moody’s has assigned an underlying rating of “A3” to the District. Application has also been made for the qualification of the Series 2020A Park Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Series 2020A Park Bond Underwriter and at the Series 2020A Park Bond Underwriter’s expense. The rating fee of Moody’s will be paid by the District; any other rating fees associated with the insurance will be the responsibility of the Series 2020A Park Bond Underwriter. A downgrade of the insurer by any rating agency subsequent to submitting a bid with municipal bond insurance and before the closing of the transaction is not a material adverse change nor is it a basis for the Series 2020A Park Bond Underwriter to terminate its obligations to pay for the Series 2020A Park Bonds at closing. See “DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS—Conditions to Delivery” and “–No Material Adverse Change” herein. It should be noted that the state of the municipal bond insurance industry is under stress, which could result in downgrades of certain municipal bond insurers. Accordingly, investors should evaluate the underlying credit quality of the District.

Reservation of Rights: The District reserves the right to reject any and all bids and to waive any and all irregularities, except time of filing.

Not an Offer to Sell: This OFFICIAL NOTICE OF SALE does not alone constitute an offer to sell the Series 2020A Park Bonds but is merely notice of sale of the Series 2020A Park Bonds. The invitation for bids on the Series 2020A Park Bonds is being made by means of this OFFICIAL NOTICE OF SALE, the Preliminary Official Statement and the Official Bid Form.

Registration and Qualification of Bonds for Sale: The offer and sale of the Series 2020A Park Bonds have not been registered or qualified under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Series 2020A Park Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, and the Series 2020A Park Bonds have not been registered or qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Series 2020A Park Bonds under the securities laws of any jurisdiction in which the Series 2020A Park Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Series 2020A Park Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions. By submission of its bid, the Series 2020A Park Bond Underwriter represents that the sale of the Series 2020A Park Bonds in states other than the State of Texas will be made pursuant to exemptions from registration or qualification, or where necessary, the Series 2020A Park Bond Underwriter will register the Series 2020A Park Bonds in accordance with the securities laws of the state in which the Series 2020A Park Bonds are offered or sold. The District agrees to cooperate with the Series 2020A Park Bond Underwriter, at the Series 2020A Park Bond Underwriter’s written request and expense, in registering or qualifying the Series 2020A Park Bonds or obtaining an exemption from registration or qualification (other than filing a consent to service of process in such state), in any state where such action is necessary.

Section 149(a) of the Internal Revenue Code of 1986, as amended, requires that all tax-exempt obligations (with certain exceptions that do not include the Bonds) be in registered form in order for the interest payable on such obligations to be excludable from a Beneficial Owner’s income for federal income tax purposes. The Series 2020A Park Bonds will be issued as fully-registered securities registered in the name of Cede & Co. pursuant to the Book-Entry-Only System described herein. One fully-registered bond will be issued for each maturity of the Series 2020A Park Bonds and will be deposited with DTC. See “BOOK-ENTRY-ONLY SYSTEM.” So long as any Series 2020A Park Bonds remain outstanding, the District will maintain at least one Paying Agent/Registrar in the State of Texas for the purpose of maintaining the Register on behalf of the District.
