PAYMENT PROVISIONS: Interest on the Bonds will be payable on September 1, 2021, and on succeeding March 1 and September 1 (the “Interest Payment Dates”), to the registered owners by check or draft of The Bank of New York Mellon Trust Company, N.A., as paying agent (the “Paying Agent”) or, in the case of the owner of Bonds in an aggregate principal amount of at least \$1,000,000, at the written request of such owner by wire transfer. Principal of and premium (if any) on any Bond will be paid upon presentation and surrender thereof at the office of the Paying Agent. Principal, interest and premium (if any) on the Bonds are payable in lawful money of the United States of America.

OPTIONAL REDEMPTION: The Bonds maturing on or before September 1, 2029, are not subject to redemption prior to their respective stated maturities. The Bonds maturing on or after September 1, 2030, are subject to redemption prior to maturity, at the option of the City, in whole or in part among maturities on such basis as designated by the City and by lot within a maturity, from any available source of funds, on September 1, 2029, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed together with accrued interest thereon to the date fixed for redemption, without premium.

SINKING FUND REDEMPTION: *Any bidder may, at its option, specify that one or more maturities of the Bonds will consist of term Bonds which are subject to mandatory sinking fund redemption in consecutive years immediately preceding the maturity thereof, as designated in the bid of such bidder.* If the bid of the winning bidder specifies that any maturity of Bonds will be term Bonds, such term Bonds will be subject to mandatory sinking fund redemption on September 1 in each year so designated in the bid, in the respective amounts for such years as set forth above under the heading “MATURITIES”, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest to the redemption date, without premium.

SECURITY: The Bonds are general obligations of the City, and the City will direct the appropriate officials of Alameda County to levy ad valorem taxes for the payment of the Bonds and the interest thereon without limitation as to rate or amount for the payment of the Bonds and the interest thereon.

TAX-EXEMPT STATUS: In the opinion of Jones Hall, A Professional Law Corporation, bond counsel to the City ("Bond Counsel"), interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. Bidders are referred to the Preliminary Official Statement for a description of the proposed opinion of Bond Counsel. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes.

If prior to the delivery of the Bonds either (a) the interest on other obligations of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse effect upon owners of the Bonds as such, the winning bidder for the Bonds may, at its option, prior to the tender of the Bonds, be relieved of its obligation under the contract to purchase the Bonds, and in such case the deposit accompanying its proposal will be returned.

LEGAL OPINION: The legal opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, approving the validity of the Bonds, will be furnished to the purchaser of the Bonds without cost. A copy of the legal opinion, certified by the official in whose office the original is filed, will be printed on each Bond at the expense of the City.

FURTHER INFORMATION: A copy of the Preliminary Official Statement describing the Bonds, and any other information concerning the proposed financing, will be furnished upon request to the municipal advisor to the City as follows ("Municipal Advisor"): NHA Advisors, LLC, 4040 Civic Center Drive, Suite 200, San Rafael, California 94903, telephone: (415) 785-2025 ext. 2006 (Rob Schmidt) or Rob@NHAadvisors.com, website: www.NHAadvisors.com. The Official Notice of Sale and Preliminary Official Statement are available from the Municipal Advisor.

TERMS OF SALE

RIGHT TO CANCEL, POSTPONE OR RESCHEDULE SALE: The City reserves the right to cancel, postpone or reschedule the sale of the Bonds upon notice delivered via Bloomberg News Service or Thomson Municipal Market Monitor (www.tm3.com). If the sale is postponed, bids will be received at the above place at such date and hour as set forth in the notice. Failure of any bidder to receive such notice or any other form of notice of canceled, postponed or rescheduled sale will not affect the legality or validity of any sale.

SUBMISSION OF BIDS: Bids will be received electronically as described below, provided that such electronic bid must be received no later than the date and time set for receipt of bids. All bidders, by submitting a bid, acknowledge that they have an established industry reputation for underwriting new issuances of municipal bonds.

ELECTRONIC BIDS: Solely as an accommodation to bidders, the City will accept bids in electronic form solely from Ipreo, a KKR portfolio company, through its BiDCOMP Competitive Bid Calculation System and Parity Electronic Bid Submission System (“Ipreo”). For information about Ipreo, bidders may contact Ipreo at 395 Hudson Street, New York, New York 10014, telephone (212) 849-5023. If any provision of this Notice of Sale conflicts with information provided by Ipreo, this Notice of Sale shall control. Each bidder submitting an electronic bid understands and agrees by doing so that it is solely responsible for all arrangements with Ipreo, that the City does not encourage the use of Ipreo, and that Ipreo is not acting as an agent of the City. Instructions for submitting electronic bids must be obtained from Ipreo, and the City does not assume any responsibility for ensuring or verifying bidder compliance with Ipreo procedures. Ipreo has advised the City that bidders must subscribe to Ipreo if such bidders intend to use Ipreo to submit bids. The City shall be entitled to assume that any bid received via Ipreo has been made by a duly authorized agent of the bidder.

Neither the City, the Municipal Advisor nor Bond Counsel has any responsibility for proper functioning of the Ipreo system, for any error contained in any bid submitted electronically, or for failure of any bid to be transmitted, received or opened at the official time for receipt of bids. The official time for receipt of bids will be determined by the City at the place of bid opening, and the City will not be required to accept the time kept by Parity as the official time. The City assumes no responsibility for informing any bidder prior to the deadline for receiving bids that its bid is incomplete, or not received.

FORM OF BID; MINIMUM PURCHASE PRICE: Each proposal must be for not less than all of the Bonds hereby offered for sale. The purchase price to be paid for the Bonds may not be less than the par value thereof **and must include original issue premium of at least \$195,000.** No bid will be entertained which provides for original issue premium of less than \$195,000.

The underwriter’s discount shall not exceed 1.5%.

DESIGNATION OF INTEREST RATES: Each bidder must specify the rate or rates of interest which the Bonds will bear. The maximum rate bid on any Bonds may not exceed 6.00% per annum. A bidder will be permitted to bid different rates of interest for each maturity of Bonds, but:

- each interest rate specified must be in a multiple of 1/20% or 1/8%;
- no Bond may bear more than one rate of interest;
- interest on each Bond will be computed from the date of original delivery to its stated maturity at the interest rate specified in the proposal, payable on the Interest Payment Dates as set forth above; and
- all Bonds maturing at any one time will bear the same rate of interest.

DETERMINATION OF BEST BID: The Bonds will be awarded to the responsible bidder whose bid produces the lowest true interest cost on the Bonds. The true interest cost specified in any bid will be that rate which, when used in computing the present worth of all payments of principal and interest to be paid on all Bonds from the date of original delivery (which is assumed to be May 25, 2021) to their respective maturity dates or mandatory sinking fund redemption dates, produces an amount equal to the purchase price specified in such bid. For

purposes of computing the true interest cost represented by any proposal, the purchase price specified in such proposal shall be equal to the par amount of the Bonds plus any premium specified in such proposal, and the true interest cost shall be calculated by the use of a semiannual interval of compounding interest based on the Interest Payment Dates for the Bonds. **Each proposal should include at least \$195,000 of premium.**

ADJUSTMENT OF PRINCIPAL MATURITIES: In order to achieve the financial goals of the City, the City may need to adjust the schedule of principal maturities for the Bonds based on the bids that are received. Therefore, the City reserves the right to increase or decrease the principal amount of any maturity of the Bonds (or, in the case of the term Bonds, the principal amount thereof which is subject to mandatory sinking fund redemption on September 1 in any year). The aggregate principal amount of the Bonds may be reduced as a result of such adjustment, in an amount not exceeding 10% of the amount of Bonds hereby offered for sale. Notice of such increase or decrease shall be given to the winning bidder as soon as practicable following the notification of award, as described below. The City will attempt to maintain total underwriter compensation when adjusting maturities. No such adjustment will have the effect of altering the basis upon which the best bid is determined.

RIGHT OF REJECTION: The City reserves the right, in its discretion, to reject any and all bids and to the extent not prohibited by law to waive any irregularity or informality in any bid.

PROMPT AWARD: An authorized representative of the City will accept the best responsible bid for the purchase of the Bonds by notice to the winning bidder. If two or more bids setting forth identical interest rates and premium, if any, are received, such officer may exercise discretion and judgment in making the award and may award the Bonds on a pro rata basis in such denominations as he or she determines. Such authorized representative of the City may also reject any and all bids and waive any irregularity or informality in any bid. Sale of the Bonds will be awarded or all bids will be rejected not later than 24 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the winning bidder; provided, that the award may be made after the expiration of the specified time if the bidder does not notify the City in writing of the withdrawal of its proposal.

PLACE OF DELIVERY; CANCELLATION FOR LATE DELIVERY: It is expected that the Bonds will be delivered to DTC for the account of the winning bidder on May 25, 2021. The winning bidder has the right, at the winning bidder's option, to cancel the contract of purchase if the Bonds are not tendered for delivery within 60 days from the date of the sale thereof, and in such event the winning bidder shall be entitled to the return of the deposit accompanying its bid.

NO GOOD FAITH DEPOSIT: The City does not require a good faith deposit to be submitted in connection with bids for the Bonds.

PAYMENT OF PURCHASE PRICE: The winning bidder will be required to pay the purchase price of the Bonds in funds that are immediately available to the City. Such payment shall be made on the date of original delivery of the Bonds to DTC.

STATEMENT OF TRUE INTEREST COST: Each bidder is requested, but not required, to state in its proposal the percentage true interest cost represented by its proposal, determined as described above, which will be considered as informative only and not binding on either the bidder or the City.

ESTABLISHMENT OF ISSUE PRICE: (a) The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit 1, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

(1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(2) all bidders shall have an equal opportunity to bid;

(3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid. **By submitting a bid for the Bonds, each bidder certifies that it has an established industry reputation for underwriting new issuances of municipal bonds.** The City will not accept bids from firms without an established industry reputation for underwriting new issuances of municipal bonds.

(c) In the event the City receives less than three bids that conform to the parameters contained herein such that the competitive sale requirements are not satisfied, the City intends to treat the initial offering price of each maturity of the bonds set forth in the bid submitted by the winning bidder (the "initial offering price") as the issue price of that maturity (the "hold-the-offering-price rule"). Consequently, each bidder should assume for purposes of making its bid that for each maturity of the Bonds, the City will treat the initial offering prices as of the date that the Bonds are awarded by the City to the successful bidder ("sale date") as the issue price of the Bonds. The City will advise the winning bidder within one hour of receipt of bids if the hold-the-offering-price rule will apply. In the event that the competitive sale requirements are not satisfied and issue price is established pursuant to the hold-the-offering-price rule, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the City.

(d) By submitting a bid, the successful bidder shall, on behalf of the underwriters participating in the purchase of the Bonds, (i) confirm that the underwriters have offered or will offer each maturity of the Bonds to the public on or before the sale date at the initial offering price set forth in the bid submitted by the winning bidder, and (ii) agree that the underwriters will

neither offer nor sell any maturity of the Bonds to any person at a price that is higher than the initial offering price for such maturity during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price for such maturity.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) The City acknowledges that, in making the representation set forth above, the successful bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(f) By submitting a bid, each bidder confirms that:

(1) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to

(A) report the prices at which it sells to the public the Bonds of each maturity allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and

(B) comply with the hold-the-offering-price rule, if and for so long as directed by the successful bidder and in the related pricing wires, and

(2) any agreement among underwriters relating to the sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be

employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to

(A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and

(B) comply with the hold-the-offering-price rule, if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale.

(g) For purposes of this Official Notice of Sale:

(1) "public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an underwriter or a related party,

(2) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(3) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

In addition, the City reserves the right to cancel the public sale of the Bonds if the City receives fewer than three bids that conform to the parameters contained herein such that the competitive sale requirements are not satisfied.

NO LITIGATION: There is no litigation pending concerning the validity of the Bonds, the corporate existence of the City or the entitlement of the officers thereof to their respective offices, and the purchaser will be furnished a no-litigation certificate certifying to the foregoing as of and at the delivery of the Bonds.

CUSIP NUMBERS: It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bonds nor any error with respect thereto will

constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Bonds in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Bonds will be paid for by the City, except that the CUSIP Service Bureau charge for the assignment of said numbers will be the responsibility of and shall be paid for by the purchaser.

CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION FEES: All fees payable to the California Debt and Investment Advisory Commission in connection with the issuance of the Bonds are the sole responsibility of the purchaser of the Bonds.

OFFICIAL STATEMENT: The City has approved a preliminary Official Statement relating to the Bonds. Copies of such preliminary Official Statement will be distributed to any bidder, upon request, prior to the sale in a form “deemed final” by the City for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934 (the “Rule”). Within seven business days from the sale date, the City will deliver to the purchaser copies of the final Official Statement, executed by an authorized representative of the City and the City and dated the date of delivery thereof to the purchaser, in sufficient number to allow the purchaser to comply with paragraph (b)(4) of the Rule and to satisfy the Municipal Securities Rulemaking Board (the “MSRB”) Rule G-32 or any other rules adopted by the MSRB, which shall include information permitted to be omitted by paragraph (b)(1) of the Rule and such other amendments or supplements as are been approved by the City (the “Final Official Statement”). The purchaser agrees that it will not confirm the sale of any Bonds unless the confirmation of sale is accompanied or preceded by the delivery of a copy of the Final Official Statement. Upon request, the City will furnish to the winning bidder, at no charge, not in excess of 20 copies of the Official Statement for use in connection with any resale of the Bonds.

CERTIFICATE REGARDING OFFICIAL STATEMENT: A responsible officer of the City will certify to the original purchaser of the Bonds, as a condition of closing, that based on such officer’s participation in the preparation of the Official Statement, nothing has come to his or her attention to lead him or her to believe that the Official Statement (except for certain financial statements, statistical data and other information) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

CONTINUING DISCLOSURE. In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the City will execute and deliver a Continuing Disclosure Certificate, under which the City undertakes to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the preliminary Official Statement and will also be set forth in the final Official Statement. Such Continuing Disclosure Certificate will be a document required to be delivered at closing by the City, and the failure by the City to deliver such document in form and substance acceptable to Bond Counsel and the winning bidder will relieve the winning bidder of its obligation to purchase the Bonds.

ACKNOWLEDGEMENT OF NO FIDUCIARY DUTY. The City acknowledges and agrees that (i) the purchase and sale of the Bonds is an arm’s-length commercial transaction between the City and the underwriter, (ii) in connection with such transaction, the underwriter is acting solely as a principal and not as an advisor, (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd-Frank Wall Street Reform and Consumer Protection Act)), agent or a fiduciary of the City, (iii) the underwriter has not assumed (individually or collectively) a fiduciary responsibility in favor of the City with respect to the offering of the Bonds or the process leading thereto (whether or not the underwriter, or any affiliate of an underwriter,

has advised or is currently advising the City on other matters) or any other obligation to the City except as described in this Notice of Sale, (iv) the underwriter has financial and other interests that differ from those of the City and (v) the City has consulted with its own legal and municipal advisors to the extent it deemed appropriate in connection with the offering of the Bonds.

GIVEN by order of the City Council of the City of Berkeley by a resolution adopted on April 27, 2021.

EXHIBIT A

The undersigned, on behalf of [NAME OF UNDERWRITER] (“Underwriter”), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the “Bonds”).

1. **Reasonably Expected Initial Offering Price.**

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by Underwriter are the prices listed in Schedule A (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturities of the Bonds used by the Underwriter in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by Underwriter to purchase the Bonds.

(b) Underwriter was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by Underwriter constituted a firm offer to purchase the Bonds.

2. **Defined Terms.**

(a) *Issuer* means the City of Berkeley.

(a) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(c) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is _____, 2021.

(d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Underwriter's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Certificate of Arbitrage and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall, A Professional Law Corporation in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.
