Changes to Initial Maturity Schedule for the Bonds

The Initial Maturity Schedule for the Bonds (the “Initial Maturity Schedule”) set forth on page 1 represents an estimate of the principal amount of Bonds to be sold. The County hereby reserves the right to change the Initial Maturity Schedule, based on market conditions prior to the

sale, by announcing any such change not later than 30 minutes prior to the announced time and date for receipt of bids via TM3 (www.tm3.com). The resulting schedule of maturities will become the “Bid Maturity Schedule” for the Bonds. If no such change is announced, the Initial Maturity Schedule will become the Bid Maturity Schedule for the Bonds.

Changes to Bid Maturity Schedule

The County hereby further reserves the right to change the Bid Maturity Schedule after the determination of the winning bidder, by increasing or decreasing the aggregate principal amount of the Bonds, subject to the limitation of no more than a 10% increase or decrease in the aggregate principal amount.

THE SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE INTEREST RATES BID OR THE INITIAL REOFFERING TERMS (AS HEREAFTER DEFINED) AS A RESULT OF ANY CHANGES MADE TO THE PRINCIPAL AMOUNTS WITHIN THESE LIMITS. The dollar amount bid by the successful bidder will be adjusted to reflect any adjustments in the final aggregate principal amount of the Bonds. Such adjusted bid price will reflect changes in the dollar amount of the underwriters’ discount and original issue discount/premium, if any, but will not change the selling compensation per \$1,000 of par amount of the Bonds from the selling compensation that would have been received based on the purchase price in the winning bid and the Initial Reoffering Terms. The interest rates specified by the successful bidder for the various maturities at the Initial Reoffering Terms will not change. The County anticipates that the final annual principal amounts and the final aggregate principal amount of the Bonds will be communicated to the successful bidder within twenty-four hours of the County’s receipt of the initial public offering prices and yields of the Bonds (the “Initial Reoffering Terms”).

Book-Entry System

The Bonds will be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity of the Bonds will be issued to The Depository Trust Company, New York, New York (“DTC”), and immobilized in its custody. The book-entry system will evidence beneficial ownership interests of the Bonds in the principal amount of \$5,000 and any multiple thereof, with transfers of beneficial ownership interests effected on the records of DTC participants and, if necessary, in turn by DTC pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., nominee of DTC. Interest on the Bonds will be payable on each April 1 and October 1, the first interest payment date being October 1, 2023, and principal of and any redemption premium on the Bonds will be payable at maturity or upon prior redemption, to DTC or its nominee as registered owner of the Bonds. Transfer of principal, interest and any redemption payments to participants of DTC will be the responsibility of DTC, and transfer of principal, interest and any redemption payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The County will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

If (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the County determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the County will discontinue the book-entry system with DTC. If the County fails to select another qualified securities depository to replace DTC, the County will deliver replacement Bonds in the form of fully registered certificates.

The Bonds

The Bonds will be general obligations of Fairfax County, Virginia, and all taxable property therein will be subject to the levy of an annual ad valorem tax sufficient in amount to provide for the payment of the principal of and the interest on the Bonds as the same become due, which tax will be without limitation as to rate or amount and will be in addition to all other taxes authorized to be levied in the County to the extent other funds of the County are not lawfully available and appropriated for such purposes.

The Bonds are being issued as a series of bonds authorized for the purpose of providing funds, with other available funds, for School Improvements (\$205,000,000), Transportation Improvements and Facilities (\$52,000,000), Parks and Park Facilities (\$28,000,000), Public Safety Facilities (\$48,000,000), and Human Services and Community Development Facilities (\$17,000,000).

Term Bonds and Mandatory Redemption

The successful bidder of the Bonds may designate two or more of the consecutive serial maturities to be a term bond maturity equal in aggregate principal amount, and with sinking fund requirements corresponding, to such designated serial maturities.

Optional Redemption

The Bonds maturing on or after October 1, 2032*, are subject to redemption prior to maturity, at the option of the County, from any money available for such purpose on any date on or after April 1, 2032*, as a whole or in part (in integral multiples of \$5,000) at any time, at a redemption price equal to the principal amount thereof, together with the interest accrued to the redemption date on the principal amount to be redeemed.

Bidding Procedures

Bids must be submitted electronically for the purchase of all, but not less than all, of the Bonds by means of the Fairfax County, Virginia AON (all or none) Bid Form (the "Bid Form") via BiDCOMP/Parity. Bids must be communicated electronically to BiDCOMP/Parity by 10:30 a.m., Fairfax, Virginia Time on the Scheduled Bid Date unless postponed as described herein (see "Change of Bid Date and Closing Date; Other Changes to Notice of Sale"). Prior to that time, a prospective bidder may input and save the proposed terms of its bid in BiDCOMP/Parity. Once the final bid has been saved in BiDCOMP/Parity, the bidder may select the final bid button in BiDCOMP/Parity to submit the bid to BiDCOMP/Parity. Once the bids are released

electronically via BiDCOMP/Parity to the County, each bid will constitute an **IRREVOCABLE** offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on BiDCOMP/Parity shall constitute the official Fairfax, Virginia Time. For information purposes only, bidders are requested to state in their bids the true interest cost to the County, as described under “Award of Bonds” below, represented by the rate or rates of interest and the bid price specified in their respective bids.

REVOCABLE BIDS ARE NOT PERMITTED.

By submitting a bid for the Bonds, each underwriter certifies it has an established industry reputation for underwriting new issuances of municipal bonds. The County will not accept bids from firms without an established industry reputation for underwriting new issuances of municipal bonds.

No bids will be accepted in written form, by facsimile transmission or in any other medium or on any system other than by means of the Bid Form via BiDCOMP/Parity. No bid will be received after the time for receiving such bids specified above.

Good Faith Deposit

After receipt of bids is closed and prior to the award, the apparent successful bidder indicated on BidCOMP/Parity must submit a good faith deposit (the “Deposit”) for 1% of the aggregate par amount set forth in Bid Maturity Schedule to the County by wire transfer. The award to the apparent successful bidder is contingent upon receipt of the Deposit, and the Bonds will not be awarded to such bidder until the County has confirmation of receipt of the Deposit. The wire information will be provided to the apparent successful bidder shortly after the bidding deadline.

Award or rejection of bids will be made by or on behalf of the Board of Supervisors of Fairfax County, Virginia, on the date above stated for the receipt of bids. The proceeds of the Deposit will be held as security for the performance of the successful bidder’s bid and applied to the purchase price of the Bonds, but, in the event the successful bidder shall fail to comply with the terms of its bid, the Deposit will be retained as and for full liquidated damages. No interest will be allowed thereon.

Award of Bonds

Award or rejection of bids will be made by the County prior to 5:00 p.m., Fairfax, Virginia Time on the date of receipt of bids. **ALL BIDS SHALL REMAIN FIRM UNTIL 5:00 P.M., FAIRFAX, VIRGINIA TIME, ON THE DATE OF RECEIPT OF BIDS.** An award of the Bonds, if made, will be made by the County within such six and one-half hour period of time (10:30 a.m. – 5:00 p.m.).

The Bonds will be awarded to the bidder offering to purchase the Bonds at the lowest “True or Canadian” interest cost (“TIC”), such cost to be calculated by determining the annual interest rate (compounded semiannually) at which the sum of the payments of the principal of and the interest on the Bonds discounted from their payment dates to the dated date of the Bonds equals the aggregate price bid of the Bonds. If two or more bidders offer to purchase the Bonds

at the same lowest TIC, the successful bidder will be selected by the County by lot from among all such bidders.

Initial Reoffering Terms

The apparent successful bidder shall provide the initial public offering prices to the public (the “Initial Public Offering Prices”) and yields of each maturity of the Bonds (collectively the “Initial Reoffering Terms”) within 30 minutes of receipt of notice that it is the apparent winning bidder.

Right of Rejection

The County expressly reserves the right (i) to waive any informalities, (ii) to reject all bids, any incomplete bid or any bid not fully complying with all of the requirements set forth herein, and (iii) to solicit new bids or proposals for the sale of the Bonds or otherwise provide for the public sale of the Bonds if all bids are rejected or the winning bidder defaults, including, without limitation, sale of the Bonds to one or more of the losing or rejected bidders without regard to their original bid or its relationship to any other bid.

Change of Bid Date and Closing Date; Other Changes to Notice of Sale

The County reserves the right to postpone, from time to time, the date and time established for the receipt of bids and will undertake to announce any such change via TM3 (www.tm3.com).

Any postponement of the bid date will be announced via TM3 not later than one hour prior to the announced time for receipt of the bids. An alternative bid date and time will be announced via TM3 at least 18 hours prior to such alternative bid date.

On such alternative bid date and time, the County will accept bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Sale, except for the changes in the date and time for bidding and any other changes announced via TM3 at the time the bid date and time are announced.

The County may change the scheduled delivery date for the Bonds by notice given in the same manner as set forth for a change in the date for the receipt of bids.

The County reserves the right to otherwise change this Notice of Sale. The County anticipates that it would communicate any such changes via TM3 by 4:00 p.m., Fairfax, Virginia Time on the date prior to the scheduled date for receipt of bids but no later than 30 minutes prior to the scheduled time and date for receipt of bids.

Conflict Waiver

Norton Rose Fulbright US LLP is serving as Bond Counsel in connection with the issuance and sale of the Bonds. By placing a bid, each bidder represents that it understands that Norton Rose Fulbright US LLP, in its capacity as Bond Counsel, represents the County, and the successful bidder waives any conflict of interest that Norton Rose Fulbright US LLP's

involvement in connection with the issuance and sale of the Bonds to such successful bidder presents.

Establishment of Issue Price

The successful bidder shall assist the County in establishing the issue price of the Bonds and shall execute and deliver to the County prior to the Closing Date a certificate acceptable to Bond Counsel setting forth the reasonably expected Initial Public Offering Price, or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary in the reasonable judgment of the successful bidder, the County or Bond Counsel.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the County anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

If the County receives less than three bids that conform to the parameters contained herein such that the competitive sale requirements are not satisfied, the County intends to treat the Initial Public Offering Price of each maturity of the Bonds as the issue price of that maturity (the “hold-the-offering-price rule”). Consequently, each bidder should assume for purposes of making its bid that, for each maturity of the Bonds, the County will treat the Initial Public Offering Prices as of the Sale Date of the Bonds as the issue price of the Bonds. The County will advise the apparent winning bidder within one hour of receipt of bids if the hold-the-offering-price rule will apply. Attached as Exhibit B is a form of the issue price certificate to be provided by the successful bidder to the County prior to the Closing Date if the competitive sale requirements are not satisfied and the hold-the-offering-price rule is applied. Exhibit B is provided in form only and may be modified as may be appropriate or necessary in the reasonable judgment of the successful bidder, the County or Bond Counsel.

By submitting a bid, the successful bidder shall, on behalf of the underwriters participating in the purchase of the Bonds, (i) confirm that the underwriters have offered or will offer each maturity of the Bonds to the public on or before the date that the Bonds are awarded by the County to the successful bidder (the “Sale Date”) at the Initial Public Offering Prices set forth in the bid submitted by the winning bidder, and (ii) agree, on behalf of the underwriters

participating in the purchase of the Bonds, that the underwriters will neither offer nor sell any maturity of the Bonds to any person at a price that is higher than the Initial Public Offering Price for such maturity during the period starting on the Sale Date and ending on the earlier of the following:

- (1) the close of the fifth business day after the Sale Date; and
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the Initial Public Offering Price for such maturity.

The successful bidder shall advise the County promptly after the close of the fifth (5th) day after the Sale Date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the Initial Public Offering Price.

The County acknowledges that, in making the representation set forth above, the successful bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer that is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the third-party distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer that is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to comply with the hold-the-offering-price rule, if and for so long as directed by the successful bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters or selling group agreement relating to the sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to comply with the

hold-the-offering-price rule, if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) “public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

Undertakings of the Successful Bidder

The successful bidder shall make a bona fide public offering of all of the Bonds to the general public (excluding bond houses, brokers, or similar persons acting in the capacity of underwriters or wholesalers who are not purchasing for their own account as ultimate purchasers without a view to resell) and will, within 30 minutes after being notified of the award of the Bonds, advise the County in writing (via facsimile transmission) of the Initial Reoffering Terms. Prior to the delivery of the Bonds, the successful bidder will furnish a certificate acceptable to Bond Counsel as to the “issue price” of the Bonds within the meaning of Section 1273 of the Internal Revenue Code of 1986, as amended. It will be the responsibility of the successful bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty.

Delivery

The Bonds will be delivered on or about February 2, 2023, in New York, New York, at DTC against payment of the purchase price therefor (less the amount of the Deposit) in Federal Reserve funds.

The approving opinion of Norton Rose Fulbright US LLP, Washington, D.C., in substantially the form appearing in the Preliminary Official Statement, will be furnished without cost to the successful bidder. There will also be furnished the usual closing papers, including certifications as to the Official Statement and no-litigation.

CUSIP Numbers

Application for CUSIP numbers with respect to the Bonds will be made by the County's financial advisor, but neither the failure to print CUSIP numbers on the Bonds nor any improperly printed CUSIP numbers shall constitute cause for failure or refusal by the successful bidder to accept delivery or make payment for the Bonds. The CUSIP Service Bureau's charge for the assignment of numbers shall be paid by the successful bidder.

Official Statements

Copies of the Preliminary Official Statement may be obtained without cost via the Internet at www.munihub.com. The Preliminary Official Statement at its date is "deemed final" by the County for purposes of the Securities and Exchange Commission Rule 15c2-12 adopted under the Securities Exchange Act of 1934, as amended (the "Rule"), but is subject to revision, amendment and completion.

After the award of the Bonds, the County will prepare copies of the Official Statement (no more than 50) and will include therein such additional information concerning the reoffering of the Bonds as the successful bidder may reasonably request; provided, however, that the County will not include in the Official Statement a "NRO" ("not reoffered") designation with respect to any maturity of the Bonds. The successful bidder will be responsible to the County in all respects for the accuracy and completeness of information provided by such successful bidder with respect to such reoffering. The County expects the successful bidder to deliver copies of such Official Statement to persons to whom such bidder initially sells the Bonds and to The Electronic Municipal Market Access System ("EMMA") administered by the Municipal Securities Rulemaking Board. The successful bidder will be required to acknowledge receipt of such Official Statement, to certify that it has made delivery of the Official Statement to EMMA and to acknowledge that the County expects the successful bidder to deliver copies of such Official Statement to persons to whom such bidder initially sells the Bonds and to certify that the Bonds will only be offered pursuant to such Official Statement and only in states where the offer is legal. The successful bidder will be responsible to the County in all respects for the accuracy and completeness of information provided by such successful bidder with respect to such reoffering.

In general, the Rule prohibits an underwriter from purchasing or selling municipal securities, such as the Bonds, unless it has determined that the issuer of such securities has committed to provide annually certain information, including audited financial information, and notice of various events described in the Rule, if material. The County will provide to EMMA annual information respecting the County, including audited financial statements. In addition, the County will provide to EMMA the required notice of the occurrence of any events described in the Rule.

Official Statements will be provided within seven (7) business days after the date of the award of the Bonds in such quantities as may be necessary for the successful bidder's regulatory compliance.

Further information will be furnished upon application to PFM Financial Advisors LLC (571) 527-5134 or (703) 741-0175.

Reservation of Rights

The right to reject any or all bids and to waive any irregularity or informality in any bid is reserved.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Purchaser's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate with respect to the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Norton Rose Fulbright US LLP in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

ISSUE PRICE CERTIFICATE
(if Hold-the-Offering-Price Rule applies)

The undersigned, on behalf of [NAME OF UNDERWRITER] (“[SHORT NAME OF UNDERWRITER]”) [and the other members of the underwriting syndicate (together, the “Underwriting Group”)], hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the “Bonds”) of Fairfax County, Virginia (the “Issuer”).

1. *Initial Offering Price of the Hold-the-Offering-Price Maturities.*

(a) [SHORT NAME OF UNDERWRITER][The Underwriting Group] offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Notice of Sale and bid award, [SHORT NAME OF UNDERWRITER][The Underwriting Group] agreed in writing on or prior to the Sale Date that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, [it][they] would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail or other third-party distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail or other third-party distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

2. *Defined Terms.*

(a) *Hold-the-Offering-Price Maturities* means those Maturities of the Bonds listed in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”

(b) *Holding Period* means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which [SHORT NAME OF UNDERWRITER][The Underwriting Group] sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

(c) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(d) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(e) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is [date of award].

(f) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail or other third-party distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents [SHORT NAME OF UNDERWRITER]’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate with respect to the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Norton Rose Fulbright US LLP in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.
