The Bonds will be dated the date of delivery (which is expected to be June 26, 2014) (the “Dated Date” and the “Closing Date”) and will bear interest from said date at the rate per annum specified by the successful bidder therefor in accordance herewith, payable semi-annually on March 1st and September 1st of each year until maturity commencing March 1, 2015 (or on the next business day if any such interest payment date is not a business day) and are subject to redemption prior to maturity. Interest on the Bonds will be calculated on the basis of twelve 30-day months/360-day year. The Bonds will be issued in fully registered form and will be payable as to both principal and interest in lawful money of the United States of America. The Bonds will be issued in book-entry only form with one certificate for the aggregate principal amount of the Bonds maturing in each year, registered in the name of The Depository Trust Company, New York, New York (“DTC”), or its nominee of Cede & Co., as securities depository for the Bonds. So long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee for

DTC, except as otherwise provided in any agreement between the Township and DTC. Disbursements of such payments to DTC Participants are the responsibility of DTC and disbursements of such payments to the actual purchasers of the Bonds are the responsibility of the DTC Participants. Individual ownership interests will be in the amount of \$1,000 or any integral multiple thereof (with a minimum purchase of \$5,000 required) except for the final maturity which may contain a denomination other than \$1,000 if the maturity does not equal a multiple of \$1,000. Unless paid from other sources, the Bonds are payable from *ad valorem* taxes levied upon all taxable property within the Township for the payment of the principal of and interest on the Bonds, without limitation as to rate or amount.

The Bonds will be designated “Qualified Tax-Exempt Obligations” for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

The Bonds maturing prior to March 1, 2023 are not subject to redemption prior to their stated maturities. The Bonds maturing on or after March 1, 2023 are redeemable at the option of the Township in whole or in part, on any date on or after March 1, 2022 at par, plus unpaid accrued interest to the date fixed for redemption.

Notice of Redemption shall be mailed by first-class mail, with postage prepaid, to the registered owners of the Bonds or portions thereof which are to be redeemed, not less than thirty (30) but not more than sixty (60) the date fixed for redemption, at their respective addresses as they last appear on the registration books of the Township kept for that purpose. So long as DTC (or any successor thereto) acts as depository for the Bonds, notice of redemption shall be sent to such depository and shall not be sent to the Beneficial Owners of the Bonds. Any failure of such depository to advise any of its participants or any failure of any participant to notify any Beneficial Owner of any notice of redemption shall not affect the validity of the redemption proceedings. If the Township determines to redeem a portion of the Bonds prior to maturity, such Bonds shall be selected by the Township (or the Paying Agent, if any). The Bonds to be redeemed having the same maturity shall be selected by the securities depository in accordance with its regulations.

All bidders for the Bonds must be participants of DTC or affiliated with its participants. Bidders may bid to purchase the Bonds from the Township with a bid premium payable to the Township in an amount not to exceed \$159,600. No Bid shall be considered that offers to pay an amount less than the total principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest True Interest Cost to the Township under any legally acceptable Bid.

Bidders must specify a rate of interest for each maturity of the Bonds which rate of interest must be expressed in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). If more than one rate of interest is named the difference between the highest rate and the lowest rate may not exceed two (2) percent (2%) per annum and not more than one rate may be named for the Bonds of the same maturity. There is no limitation on the number of rates of interest that may be named. Bidders may not designate a maturity or maturities as a term bond(s). Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest true interest cost to the Issuer (“True Interest Cost” or “TIC”). The True Interest Cost for the Bonds (expressed as an annual interest rate) will be computed by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from their respective payment dates to the Dated Date of the Bonds, and resulting in an amount equal to the bid price, not including accrued interest, if any.

In the event that two or more bidders have bid the same True Interest Cost, the award shall be made by lot. The successful bidder (also referred to herein as the “Purchaser”) also must

pay an amount equal to the interest on such Bonds accrued from the Dated Date of the Bonds to the date of payment of the purchase price, if any.

**Change of Bid Date and Closing Date.** The Township reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective Bidders via notification published on Thomson Municipal Market Monitor (“TM3”) ([www.tm3.com](http://www.tm3.com)) and/or BIDCOMP/Parity. Prospective Bidders may request notification by facsimile transmission of any such changes in the date or time for the receipt of bids by so advising, and furnishing their telecopier numbers to Phoenix Advisors, LLC at telephone number (609) 291-0130 by 12:00 Noon, New Jersey time, on the day prior to the announced date for receipt of bids. In addition, the Township reserves the right to make changes to this Notice of Sale. Such changes will be announced on TM3 and/or BIDCOMP/Parity.

A postponement of the bid date will be announced via TM3 not later than 11:00 a.m., New Jersey time, on the last business day prior to any announced date for receipt of bids, and an alternative sale date and time will be announced via TM3 and/or BIDCOMP/Parity by Noon, New Jersey time, not less than forty-eight (48) hours prior to such alternative date for receipt of bids.

On any such alternative date and time for receipt of bids, the Township will accept electronic bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Sale, except for the changes in the date and time for receipt of bids and any other changes announced via TM3 and/or BIDCOMP/Parity at the time the date and time for receipt of bids are announced.

**Bid Security and Method of Payment for Bonds.** A Good Faith Deposit (“Deposit”) in the form of a certified or cashier’s or treasurer’s check, wire transfer or a Financial Surety Bond in the amount of \$159,600, payable to the order of the Township, is required for each Bid to be considered. **Wire instructions may be obtained by contacting Anthony P. Inverso, Financial Advisor at telephone number (609) 291-0130 or [ainverso@muniadvisors.com](mailto:ainverso@muniadvisors.com) prior to 10:30 a.m., prevailing New Jersey time on the Sale Date, and such wire must be received and confirmed by the Township prior to the time for bids to be submitted. If a check is used, it must be a certified or cashier’s or treasurer’s check and must be provided to the Township prior to the time for Bids to be submitted at the following address: William Rieker, Chief Financial Officer, Township of Lakewood, 231 Third Street, Lakewood, New Jersey 08701. Each Bidder accepts responsibility for delivering such check or wire on time and the Township is not responsible for any check or wire that is not received on time. If a Financial Surety Bond is used, it must be from an insurance company licensed to issue such a bond in the State of New Jersey and approved by the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs (the “Director”) and such bond must be submitted to the Township prior to the opening of the Bids at the address referred to above. At present, the Director has approved the use of Sure-Bid, a division of Financial Security Assurance Inc. Use of any other Financial Surety Bond must be approved by the Director prior to the Bid and will not be accepted by the Township unless evidence of such approval is provided prior to the Bid.**

The Financial Surety Bond must identify the bidder whose Deposit is guaranteed by such Financial Surety Bond. The successful bidder for the Bonds is required to submit its Deposit to the Township by wire transfer not later than 3:30 p.m. on the next business day following the award. If such deposit is not received by that time, the Financial Surety Bond may be drawn by

the Township to satisfy the Deposit requirement. In the event the successful bidder fails to honor its accepted bid, the Deposit will be retained by the Township.

Award of the Bonds to the successful bidder therefor or rejection of all bids is expected to be made by 2:00 p.m., but the successful bidder may not withdraw its proposal until 4:00 p.m. on the Sale Date and then only if such award has not been made prior to the withdrawal. When the successful bidder has been ascertained, all such Deposits will be promptly returned to the persons making them, except the Deposit of the successful bidder, which will be applied in part payment for the Bonds or to partially secure the Township from any loss resulting from the failure of the successful bidder to comply with the terms of its bid. No interest will be paid upon any Deposits, including the Deposit made by the successful bidder.

The Township reserves the right to reject all bids, and any bid not complying with the terms of this Notice may be rejected. The Township reserves the right to waive any irregularity or informality in any or all proposals.

Responsibility for the proper transmission of the bid is solely that of the bidder.

The Bonds will be delivered and the Purchaser thereof must accept delivery and tender full payment therefor on or about the Closing Date at the offices of Dilworth Paxson LLP, Red Bank, New Jersey, Bond Counsel for the Bonds, or at such other place and date as may be agreed to by and in the sole discretion of the Township. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS. On or prior to the Closing Date, the Purchaser of the Bonds will be required to certify either the initial offering price to the public at which a substantial amount (at least 10%) of each maturity of such Bonds were sold, were reasonably expected to be sold or that the Bonds are purchased as an investment for the account of the Purchaser and not with a view toward resale or distribution and to certify the issue price of the final maturity and of the entire issue and as to the arbitrage yield, net interest cost and weighted average maturity of the Bonds.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the Purchaser and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by the Purchaser. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the Purchaser of any contractual obligation arising from the acceptance of its proposal for the purchase of the Bonds. It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or a refusal by the Purchaser thereof to accept delivery of and to pay for the Bonds in accordance with its proposal for the purchase of the Bonds. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the Purchaser.

The Purchaser may at its option refuse to accept the Bonds if prior to their delivery any income tax law of the United States of America shall provide that the interest thereon is taxable, or shall be taxable at a future date, for Federal income tax purposes, and in such case the deposit made by the Purchaser will be returned and the Purchaser will be relieved of its contractual obligations arising from the acceptance of its proposal. The Purchaser should consult with its own tax advisors as to the ultimate tax impact of the ownership of the Bonds.

The Township has issued an Official Statement with respect to the sale of the Bonds in preliminary form (the "Preliminary Official Statement"). The Township, by accepting the proposal submitted by the successful bidder, (a) certifies to the successful bidder as of the date of acceptance of such proposal, that the Preliminary Official Statement furnished prior to the date of such acceptance has been "deemed final" as of its date by the Township within the meaning of Rule 15c2-12, promulgated under the Securities Exchange Act of 1934 ("Rule 15c2-12"), except for certain omissions permitted thereunder and except for changes permitted by other applicable law; (b) agrees to provide the successful bidder, in order to permit the successful bidder to comply with Rule 15c2-12, with a reasonable number of copies of the final Official Statement adopted by the Township in relation to the sale by the Township of the Bonds within the period of time allowed under Rule 15c2-12, at the sole cost and expense of the Township, with any additional copies which the successful bidder shall reasonably request to be provided at the sole cost and expense of the successful bidder; and (c) agrees to deliver on the Closing Date a Continuing Disclosure Certificate to be dated as of the Closing Date pursuant to which the Township shall agree to provide at the times and to the information repositories and other persons described in Rule 15c2-12 the financial or operating data required to be disclosed on a continual basis pursuant to Rule 15c2-12.

The obligations hereunder to deliver and accept the Bonds shall be conditioned on the availability and delivery at the time of delivery of the Bonds of (a) the approving opinion of the law firm of Dilworth Paxson LLP, Red Bank, New Jersey ("Bond Counsel"), which will be furnished without cost to the Purchaser, to the effect that the Bonds are valid and legally binding obligations of the Township and that all the taxable property in the Township will be subject to the levy of *ad valorem* taxes to pay the Bonds and interest thereon without limitation as to rate or amount, and that interest on the Bonds is excluded from gross income for Federal income tax purposes under current law if the Township complies with all conditions subsequent contained in the Internal Revenue Code of 1986, as amended (the "Code"), except that such interest is included in the adjusted current earnings of certain corporations for the purpose of calculating the corporate alternative minimum tax, and that interest on the Bonds is not includable in gross income under the New Jersey Gross Income Tax Act, such opinions to be substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds; (b) certificates in the form and tenor satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds, the receipt of payment therefor, and the compliance with the requirements of the Code necessary to preserve the exclusion of interest on the Bonds from gross income under the Code; (c) a certificate in the form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds; and (d) payment, in IMMEDIATELY AVAILABLE FUNDS, from the Purchaser to the Township of the full amount of the price bid plus accrued interest from the Dated Date of the Bonds to the Closing Date, if any, less the amount of the Deposit.
